Russia, and amounts of funds provided to them by the Bank of Russia to partially compensate the losses (expenses) mentioned in this Article.

(Article 26² was introduced by Federal Law No. 167-FZ, dated 29 June 2015)

Chapter IV. Cash Management

Article 27. The ruble shall be the official monetary unit (currency) of the Russian Federation. It shall be equal to 100 kopecks.

The issue of any other monetary units or quasi-money shall be prohibited in the Russian Federation.

Article 28. No official ratio shall be set between the ruble and gold or other precious metals.

Article 29. The issue of cash (banknotes and coins), organisation of its circulation and its withdrawal from circulation in the Russian Federation shall be effected exclusively by the Bank of Russia.

Bank of Russia banknotes (bank bills) and coins shall be the sole legal tender in the Russian Federation. Their forgery or illegal manufacture shall be prosecuted under the law.

Article 30. Bank of Russia banknotes and coins shall be unconditional obligations of the Bank of Russia, secured by all its assets.

Bank of Russia banknotes and coins shall be unconditionally accepted for their face value in effecting all kinds of payments, crediting

accounts and making deposits and transfers across the entire territory of the Russian Federation.

Article 31. Bank of Russia banknotes and coins may not be declared invalid (no longer legal tender) without establishing a sufficiently long period of their exchange for new Bank of Russia banknotes and coins. No restrictions shall be imposed on the sum or subject of the exchange.

When old Bank of Russia banknotes and coins are exchanged for new Bank of Russia banknotes and coins, the period of the withdrawal of banknotes and coins from circulation may not be shorter than one year but no longer than five years.

Article 32. The Bank of Russia shall exchange worn or damaged banknotes without any restrictions in compliance with its rules.

Article 33. The Board of Directors shall take the decision to issue new Bank of Russia banknotes and coins and withdraw old Bank of Russia banknotes and coins from circulation and approve the denominations and specimens of new currency. The description of new banknotes and coins shall be published in the media.

The State Duma and the Russian Federation Government shall be notified of such a decision in advance.

Article 34. To organise the circulation of currency in the Russian Federation, the Bank of Russia shall fulfil the following functions:

it shall forecast and organise the production, including the placement of order for production of Bank of Russia banknotes and coins with the respective organisation, transportation and storage of Bank of Russia banknotes and coins and create their reserves;

(the Paragraph as amended by Federal Law No. 10-FZ, dated 7 February 2011)

it shall set the cash storage, transportation and collection rules for credit institutions;

it shall establish the criteria of validity of Bank of Russia banknotes and coins and the procedure for destroying Bank of Russia banknotes and coins and replacing damaged Bank of Russia banknotes and coins;

it shall establish the procedure for the conduct of cash operations by legal entities and a simplified procedure for the conduct of cash operations by individual entrepreneurs and small businesses.

(the Paragraph as amended by Federal Law No. 251-FZ, dated 23 July 2013)

Article 34¹. The principal objective of the Bank of Russia's monetary policy shall be to protect and ensure stability of the ruble by way of maintaining price stability, including for the creation of conditions for balanced and sustainable economic development.

(Article 34¹ was introduced by Federal Law No. 251-FZ, dated 23 July 2013)

Chapter VII. Monetary Policy

Article 35. The principal tools and methods of the Bank of Russia monetary policy shall be as follows:

- 1) interest rates on Bank of Russia operations;

2) required reserves;

(Clause 2 as amended by Federal Law No. 218-FZ, dated 21 July 2014)

3) open-market operations;

4) refinancing credit institutions;

5) currency interventions;

6) setting targets for money supply growth;

7) direct quantitative restrictions;

8) the issue of bonds on its own behalf;

9) other instruments specified by the Bank of Russia.

(Clause 9 was introduced by Federal Law No. 251-FZ, dated 23 July 2013)

Article 36. The Bank of Russia shall regulate the total amount of the loans it extends in line with the approved targets for the single state monetary policy.

Article 37. The Bank of Russia may set one or several interest rates on different kinds of operations or pursue an interest rate policy without fixing an interest rate.

The Bank of Russia shall use the interest rate policy to influence market interest rates.

Article 38. The amount of required reserves (the required reserve ratio, the required reserve averaging ratio) and the procedure for credit institutions to comply with rules on required reserves, including the procedure for depositing the required reserves with the Bank of Russia shall be established by the Board of Directors.

The required reserve ratios shall determine the amount of required reserves as a percentage of a credit institution's liabilities.

The required reserve ratios may not exceed 20 per cent of a credit institution's liabilities and may be different for banks with universal licences, banks with basic licences, and non-bank credit institutions. In this case, the required reserve ratios established for banks with universal licences shall be uniform for all banks with universal licences, those established for banks with basic licences shall be uniform for all banks with basic licences, and those established for non-bank credit institutions shall be uniform for all non-bank credit institutions. The required reserve ratios established for banks with basic licences shall not exceed the required reserve ratios established for banks with universal licences.

(Part four as amended by Federal Law No. 92-FZ, dated 1 May 2017)

The required reserve ratios may not be changed by more than five points at a time.

The required reserve averaging ratio is a numerical multiplier ranging from 0 to 1 and used to calculate the averaged amount of required reserves. The required reserve averaging ratio may be different for banks with universal licences, banks with basic licences, and non-bank credit institutions. In this case, the ceiling for required reserve averaging ratio established for banks with universal licences shall be uniform for all banks with universal licences, the ceiling for required reserve averaging ratio established for banks with basic licences shall be uniform for all banks with basic licences, and the ceiling for required

reserve averaging ratio established for non-bank credit institutions shall be uniform for all non-bank credit institutions.

(Part five as amended by Federal Law No. 92-FZ, dated 1 May 2017)

The Bank of Russia shall be entitled to set the procedure for credit institutions to deposit required reserves with the Bank of Russia and (or) use a correspondent account with the Bank to maintain averaged required reserves calculated on the basis of the required reserve averaging ratio.

Should a credit institution violate a required reserve ratio, the Bank of Russia shall be entitled to incontestably write down the amount of underpaid required reserves deposited with the Bank of Russia (underpayments into required reserves) from the credit institution's correspondent account in the Bank of Russia and, should a credit institution fail to comply with required reserve averaging, the amount calculated on the basis of the extent of a failure to comply with required reserve averaging determined as the difference between the required reserve averaging ratios set for a credit institution and actually maintained by it, in an amount and in accordance with a procedure established by the Bank of Russia.

The Bank of Russia shall also have the right to charge the credit institution a penalty by a legal procedure for the non-observance of required reserve in an amount established by the Bank of Russia. This penalty may not exceed a sum calculated on the basis of the Bank of Russia refinancing rate effective on the day of a court ruling, multiplied by two.

No penalty shall be imposed on the required reserves deposited by a credit institution with the Bank of Russia.

After the revocation of a credit institution's banking licence, the required reserves deposited by the credit institution with the Bank of Russia shall be transferred to the credit institution's account and used in accordance with the procedure established by federal laws and Bank of Russia normative acts issued in pursuance of these laws.

When a credit institution is reorganised, the procedure for the conversion of its required reserves that were previously deposited with the Bank of Russia shall be established pursuant to Bank of Russia normative acts.

(Article 38 as amended by Federal Law No. 218-FZ, dated 21 July 2014)

Article 39. The Bank of Russia open market operations shall signify:

1) the purchase and sale of Treasury bills, government bonds, other government securities, Bank of Russia bonds, as well as the conclusion of repo agreements with these securities;

2) purchase and sale of other securities specified by the Board of Directors, provided that they are listed for organised trades, as well as the conclusion of repo agreements with these securities.

(Clause 2 as amended by Federal Law No. 327-FZ, dated 21 November 2011)

When conducting operations with shares in the open market, the Bank of Russia may only conclude repo agreements and sell shares if a counterparty defaults on repo obligations.

(Article 39 as amended by Federal Law No. 281-FZ, dated 25 November 2009)

Article 40. Refinancing shall signify the provision of Bank of Russia loans to credit institutions.

The form, procedure and terms and conditions of refinancing shall be established by the Bank of Russia.

Article 41. Bank of Russia currency interventions shall signify the purchase and sale by the Bank of Russia of foreign exchange in the FX market with the aim of regulating the ruble rate and the overall demand for money and money supply.

Article 42. The Bank of Russia may set growth targets for one or several money supply indicators, taking into account the guidelines for the single state monetary policy.

Article 43. Direct quantitative restrictions set by the Bank of Russia shall signify setting limits on the refinancing of credit institutions and the conduct of some banking operations by credit institutions.

The Bank of Russia shall be entitled to apply direct quantitative restrictions to all credit institutions equally in exceptional cases with the aim of implementing the single state monetary policy only after consultations with the Russian Federation Government.

Article 44. To implement the monetary policy, the Bank of Russia may issue bonds in its own name to be placed and traded among credit institutions.

The maximum total nominal value of Bank of Russia bonds of all issues, unredeemed by the date the Board of Directors takes the decision to issue (launch an additional issue of) Bank of Russia bonds, shall be

established as the difference between the largest possible sum of the required reserves of credit institutions and the sum of the required reserves of credit institutions, established on the basis of the current required reserve ratio.

(Part two as amended by Federal Law No. 61-FZ, dated 18 June 2005)

Article 45. The Bank of Russia shall annually submit to the State Duma draft guidelines for the single state monetary policy for the coming year no later than the deadline for submission to the State Duma of a draft federal budget law for the next fiscal year and the planned period by the Russian Federation Government and guidelines for the single state monetary policy for the coming year no later than December 1.

(Part one as amended by Federal Law No. 192-FZ, dated 19 July 2009)

Before that, draft guidelines for the single state monetary policy shall be submitted to the Russian Federation President and Russian Federation Government.

Guidelines for the single state monetary policy for the coming year shall comprise:

the main principles of the monetary policy pursued by the Bank of Russia;

a brief description of the state of the Russian economy;

a forecast for the expected fulfilment of the main parameters of the monetary policy in the current year;

a quantitative analysis of why the monetary policy targets set by the Bank of Russia for the current year were missed, an evaluation of the prospects for these targets being attained and an explanation of how they can be corrected;

a scenario forecast (in at least two versions) for the development of the Russian economy in the coming year with a projection of the price of oil and other Russian export commodities in each scenario;

a forecast for the main indicators of Russia's balance of payments for the coming year;

targets characterising the main objectives of the monetary policy, proclaimed by the Bank of Russia for the coming year, including interval indicators for inflation, the monetary base, money supply, interest rates and changes in international reserves;

main indicators for the monetary programme for the coming year;

Alternative uses of the monetary policy tools and methods guaranteeing the attainment of the targets in various scenarios of economic development;

the Paragraph has been null and void since 1 September 2013, in accordance with Federal Law No. 251-FZ, dated 23 July 2013.

The State Duma shall consider the guidelines for the single state monetary policy for the coming year and adopt a corresponding decision before it has passed the federal budget law for the coming year.

Chapter IX. International and Foreign Economic Activities of the Bank of Russia

Article 51. The Bank of Russia shall represent the interests of the Russian Federation in relations with the central banks of foreign states and in international banks and other international monetary and financial organisations.

The Bank of Russia shall be entitled to request the central bank and (or) another supervisory authority of a foreign state with the functions of banking supervision to provide it with information and (or) documents,

including those that contain data constituting bank secrecy, which they received from credit institutions, banking groups, bank holding companies and other associations with the participation of credit institutions while fulfilling supervisory functions, including conducting inspections of their activities. As regards the information and (or) documents received from the central bank and (or) other supervisory authority of a foreign state with the functions of banking supervision, the Bank of Russia must comply with the requirements for the disclosure of information and the provision of documents made by Russian Federation legislation, taking into consideration the requirements made by the legislation of the foreign state. The information and (or) documents received by the Bank of Russia from the central bank and (or) another supervisory authority of a foreign state with the functions of banking supervision may be provided to third parties, including law-enforcement agencies, only with the consent of the central bank and (or) another supervisory authority of a foreign state with the functions of banking supervision, which have provided such information, or to a court of law pursuant to a court judgment passed in criminal case proceedings.

(Part two as amended by Federal Law No. 146-FZ, dated 2 July 2013)

The Bank of Russia shall be entitled to provide the central bank and (or) another supervisory authority of a foreign state with the functions of banking supervision with information and (or) documents required for them to exercise banking supervision, including those that contain data constituting bank secrecy, which were received from credit institutions, banking groups, bank holding companies and other associations with the participation of credit institutions while fulfilling supervisory functions,

including conducting inspections of their activities, except for the data constituting state secrecy.

(Part three was introduced by Federal Law No. 146-FZ, dated 2 July 2013, as amended by Federal Law No. 432-FZ, dated 22 December 2014)

The Bank of Russia shall be entitled to provide the central bank and (or) another authority of a foreign state with the functions of resolving the insolvency of parent credit institutions of a banking group (bank holding company) and other associations with the participation of credit institutions with information contained in financial stability recovery plans of credit institutions participating in such banking groups (bank holding companies) and other associations with the participation of credit institutions, except for the data constituting state secrecy.

(Part four was introduced by Federal Law No. 432-FZ, dated 22 December 2014)

The Bank of Russia shall provide the information (data) and (or) documents mentioned in this Article to the central bank and (or) another supervisory authority of a foreign state with the functions of banking supervision and (or) another authority of a foreign state with the functions of resolving the insolvency of organisations, on condition that the legislation of a foreign state stipulates the level of security (confidentiality) for the Bank of Russia's information and (or) documents at least matching the level of security (confidentiality) for the provision of information and (or) documents envisaged by Russian Federation legislation, and, in the event that the relationships for the exchange of information and (or) documents are regulated by international treaties the Bank of Russia shall provide such information and (or) documents in compliance with the terms and conditions of these treaties and on condition that such information and (or) documents shall

not be disclosed to third parties, including law-enforcement agencies, without the Bank of Russia's prior written consent, except for the cases of providing such information to a court of law in criminal case proceedings.

(Part five was introduced by Federal Law No. 432-FZ, dated 22 December 2014)

Article 51¹. The Bank of Russia shall be entitled to request a foreign financial market regulator to provide it with information and (or) documents, which may be confidential, including those that contain data constituting bank secrecy and insurance secrecy.

(as amended by Federal Law No. 343-FZ, dated 2 July 2021 (effective from 22 August 2021))

The Bank of Russia shall exchange information and (or) documents, which may be confidential, including those that contain data constituting bank secrecy and insurance secrecy (hereinafter, confidential information), with a foreign financial market regulator pursuant to and in compliance with:

(as amended by Federal Law No. 343-FZ, dated 2 July 2021 (effective from 22 August 2021))

1) the Multilateral Memorandum of Understanding Concerning Consultation and Cooperation and the Exchange of Information of the International Organisation of Securities Commissions, the Multilateral Memorandum of Understanding on Cooperation and Information Exchange of the International Association of Insurance Supervisors;

(Clause 1 as amended by Federal Law No. 426-FZ, dated 30 December 2015)

2) an international treaty of the Russian Federation;

3) a bilateral treaty with a foreign financial market regulator envisaging an exchange of information, if the legislation of the corresponding foreign state stipulates the level of security for

information provision at least matching the level of information security envisaged by Russian Federation legislation.

As regards confidential information received from a foreign financial market regulator, the Bank of Russia shall be obliged to comply with the requirements for the disclosure of confidential information established by Russian Federation legislation, taking into consideration the procedure stipulated in Part two of this Article.

Confidential information received by the Bank of Russia from a foreign financial market regulator may be provided to third parties only with the consent of such a regulator, except for the cases when the said confidential information is provided to a court of law pursuant to a court judgement passed in criminal case proceedings.

Upon receiving a reasoned inquiry from a foreign financial market regulator in accordance with the procedure stipulated by agreements specified in Part two of this Article, the Bank of Russia shall send an order to provide such information pursuant to a decision taken by the Financial Supervision Committee. The Bank of Russia's order to provide information may not include the purpose of receiving such information.

Pursuant to a decision by the Board of Directors, the Bank of Russia shall be entitled to provide a foreign financial market regulator with confidential information on operations and (or) transactions upon a reasoned inquiry from the foreign financial market regulator in cases stipulated by agreements specified in Part two of this Article, and also on persons who performed the said operations and (or) transactions and (or) beneficiaries under these operations and (or) transactions, except for information constituting state secrecy.

The Bank of Russia shall provide such confidential information to a foreign financial market regulator on condition that the legislation of the corresponding foreign state stipulates the level of security for information provision at least matching the level of information security envisaged by Russian Federation legislation, and also on condition that the foreign financial market regulator may not provide confidential information to third parties, including law-enforcement agencies, without the Bank of Russia's prior consent, except for the cases when such confidential information is provided to a court of law pursuant to a court judgment passed in criminal case proceedings.

(Article 51¹ was introduced by Federal Law No. 251-FZ, dated 23 July 2013)

Article 51². Upon receiving an inquiry from the General Prosecutor's Office of the Russian Federation to verify compliance with the requirements of Federal Law No. 79-FZ, dated 7 May 2013, 'On Prohibiting Certain Categories of Individuals from Opening and Maintaining Accounts (Deposits) and Holding Cash Funds and Valuables with Foreign Banks Outside the Russian Federation, and Owning and (or) Using Foreign Financial Instruments', the Bank of Russia shall be entitled to request the central bank and (or) another supervisory authority of the foreign state in charge of banking supervision to provide it with corresponding information, including information that contains data constituting bank secrecy. Having received the information, the Bank of Russia shall inform the General Prosecutor's Office of the Russian Federation about the results of consideration of the inquiry received from it. In doing so, the Bank of

Russia shall be obliged to comply with the requirements for the disclosure of information and provision of documents established by the legislation of the foreign state and (or) an international treaty of the Russian Federation.

(Article 51² was introduced by Federal Law No. 5-FZ, dated 6 February 2019)

Article 51³. Upon receiving an inquiry from the General Prosecutor's Office of the Russian Federation to verify compliance with the requirements of Federal Law No. 79-FZ, dated 7 May 2013, 'On Prohibiting Certain Categories of Individuals from Opening and Maintaining Accounts (Deposits) and Holding Cash and Valuables with Foreign Banks Outside the Russian Federation, and Owning and (or) Using Foreign Financial Instruments', the Bank of Russia shall be entitled to request a foreign financial market regulator to provide it with corresponding information, including information that contains data constituting bank secrecy. Having received the information, the Bank of Russia shall inform the General Prosecutor's Office of the Russian Federation about the results of consideration of the inquiry received from it. In doing so, the Bank of Russia shall be obliged to comply with the requirements for the disclosure of information and provision of documents established by the legislation of the foreign state and (or) an international treaty of the Russian Federation, and (or) a bilateral agreement with a foreign financial market regulator envisaging an exchange of information.

(Article 51³ was introduced by Federal Law No. 5-FZ, dated 6 February 2019)

Article 52. The Bank of Russia in accordance with the established procedure shall issue permits for the establishment of credit institutions with foreign investments, accredit representative offices of credit institutions of foreign states in the Russian Federation, and also accredit foreign citizens who will be engaged in labour activities in representative offices of foreign credit institutions.

(Part one as amended by Federal Law No. 106-FZ, dated 5 May 2014)

An increase in the authorised capital of a credit institution at non-residents' expense shall be regulated by federal laws.

The Bank of Russia shall accredit branches of foreign insurance companies established in the Russian Federation in accordance with Russian Federation Law No. 4015-1, dated 27 November 1992, 'On the Organisation of Insurance Business in the Russian Federation'.

(Part three was introduced by Federal Law No. 343-FZ, dated 2 July 2021 (effective from 22 August 2021))

(Article 53 as amended by Federal Law No. 53-FZ, dated 7 March 2018)

Article 54. The Bank of Russia shall be the body of foreign exchange regulation and foreign exchange control and it shall fulfil these functions in compliance with Federal Law No. 173-FZ, dated 10 December 2003, 'On Foreign Exchange Regulation and Foreign Exchange Control', and other federal laws.

(Article 54 as amended by Federal Law No. 90-FZ, dated 18 July 2005)

Article 55. To fulfil its functions, the Bank of Russia may open representative offices in foreign states.

Chapter X. Banking Regulation and Banking Supervision

Article 56. The Bank of Russia shall be the body of banking regulation and banking supervision. The Bank of Russia shall exercise ongoing supervision over the compliance by credit institutions and banking groups of Russian legislation, Bank of Russia regulations, required ratios set by them and (or) individual required ratio limits established by the Bank of Russia. It shall conduct analysis of the activity of bank holding companies and use the information received from this analysis for the purposes of banking supervision over credit institutions and banking groups integrated into bank holding companies.

(Part one as amended by Federal Law No. 146-FZ, dated 2 July 2013)

The principal objectives of banking regulation and banking supervision shall be to maintain the stability of the Russian banking system and protect the interests of depositors and creditors. The Bank of Russia shall not interfere in the day-to-day activities of credit institutions, except for those cases stipulated by federal laws.

The regulatory and supervisory functions of the Bank of Russia, established by this Federal Law, shall be implemented through the

Banking Supervision Committee, a permanent body uniting the heads of the Bank of Russia units responsible for supervision.

(Part three as amended by Federal Law No. 251-FZ, dated 23 July 2013)

The Regulation on the Banking Supervision Committee and its structure shall be approved by the Board of Directors.

(Part four as amended by Federal Law No. 276-FZ, dated 25 December 2008)

The head of the Banking Supervision Committee shall be appointed by the Bank of Russia Governor from among the members of the Board of Directors.

Article 57. The Bank of Russia shall set the rules, binding for credit institutions, for conducting banking operations, requirements for accounting and reporting, compiling and presenting accounting (financial) statements and statistical reports, and also other data required by federal laws. The Bank of Russia shall set the rules, binding for banking groups, for compiling reports required for conducting supervision of credit institutions on a consolidated basis, presenting to the Bank of Russia and disclosing the statements of banking groups stipulated by the Federal Law ‘On Banks and Banking Activities’. The Bank of Russia shall set the rules, binding for bank holding companies, for compiling and presenting data required for assessing the risks of a bank holding company and conducting supervision of credit institutions participating in a bank holding company, presenting to the Bank of Russia and disclosing the statements of bank holding companies stipulated by the Federal Law ‘On Banks and Banking Activities’. The requirements set by the Bank of Russia shall apply to accounting

(financial), statistical and other reports compiled for the period starting no sooner than the date on which these requirements are published.

On its official website, the Bank of Russia shall disclose information contained in the reports of credit institutions (banking groups) and presented to the Bank of Russia as required by Article 43 of the Federal Law ‘On Banks and Banking Activities’, excluding data constituting bank secrecy. The composition of, and the procedure for disclosing, such information shall be established by a regulation issued by the Bank of Russia. In cases established by the Government of the Russian Federation, where credit institutions shall be entitled to disclose information that is subject to such disclosure according to the requirements of Russian Federation legislation in a limited composition and (or) volume, the Bank of Russia shall be entitled to place information stipulated by this Part in a limited composition and (or) volume on its official website with due regard to the Russian Government’s list of information forbidden for disclosure by credit institutions.

(Part two was introduced by Federal Law No. 92-FZ, dated 1 May 2017, as amended by Federal Law No. 514-FZ, dated 27 December 2018)

In accordance with the list approved by the Board of Directors, for the purpose of implementing its functions the Bank of Russia shall be entitled to request and receive information on the activity of credit institutions, banking groups and bank holding companies, including the information on participants of the banking groups and bank holding companies other than credit institutions and demand clarification of the information received from credit institutions, parent credit institutions of banking groups and parent credit institutions of bank holding companies.

The Bank of Russia shall be entitled to demand that credit institutions develop and submit financial stability recovery plans providing, inter alia, for measures to ensure compliance with requirements of Bank of Russia regulations, and to amend financial stability recovery plans providing for compliance with requirements for their substance.

Parent credit institutions of banking groups shall be entitled to develop financial stability recovery plans of banking groups and amend financial stability recovery plans.

Systematically important credit institutions are determined by the method established by a Bank of Russia regulation.

The Bank of Russia shall be entitled to establish the calculation procedure and marginal values of liquidity ratios for systematically important credit institutions.

Systematically important credit institutions shall be obliged to develop and submit to the Bank of Russia financial stability recovery plans and to amend financial stability recovery plans.

The Bank of Russia shall assess financial stability recovery plans and amendments to financial stability recovery plans.

Requirements for the content, procedure and deadlines of financial stability recovery plans submission to the Bank of Russia, and also amendments to such plans and the procedure for their assessment shall be established by a Bank of Russia regulation.

On the basis of financial stability recovery plans submitted by systematically important credit institutions, the Bank of Russia shall develop action plans regarding these credit institutions which contain

measures required in case the measures envisaged by financial stability recovery plans fail to restore financial stability.

In order to compile banking and monetary statistics, the balance of payments of the Russian Federation, international investment position of the Russian Federation, statistical data on external trade of the Russian Federation in services, external debt of the Russian Federation, international reserves of the Russian Federation, direct investment in the Russian Federation and direct investment of the Russian Federation abroad, the financial account of the Russian Federation in the system of national accounts, as well as to analyse the economic situation, the Bank of Russia shall be entitled to request and receive free of charge the necessary information from the federal bodies of executive power (their regional branches) and legal entities.

(Part twelve as amended by Federal Law No. 38-FZ, dated 28 March 2017)

The Bank of Russia shall be entitled to request and receive from credit history bureaus loan reports by credit history makers.

Information on specific operations, received from legal entities, shall not be disclosed without the consent of the corresponding legal entity, except for those cases stipulated by federal laws.

The Bank of Russia shall publish summary statistical and analytical data on the Russian banking system.

The provisions of this Article shall apply to information collected by the Bank of Russia and passed by it to international organisations on the instructions of the Russian Federation Government.

(Article 57 as amended by Federal Law No. 432-FZ, dated 22 December 2014)

Article 57¹. The Bank of Russia shall establish requirements for the risk and capital management frameworks, and internal controls of credit institutions and banking groups, as well as qualification requirements for the head of risk management, the head of internal audit, the head of internal controls of credit institutions, a special official responsible for the implementation of internal control rules in a credit institution/parent credit institution of a banking group for the purpose of countering the legalisation (laundering) of criminally obtained incomes, the financing of terrorism and the financing of proliferation of weapons of mass destruction (as agreed with the federal executive authority responsible for countering the legalisation (laundering) of criminally obtained incomes and the financing of terrorism and the financing of proliferation of weapons of mass destruction).

(Article 57¹ was introduced by Federal Law No. 146-FZ, dated 2 July 2013; as amended by Federal Laws No. 281-FZ, dated 29 July 2017; and No. 394-FZ, dated 2 December 2019)

Article 57². The Bank of Russia shall assess in accordance with the procedure established by the Bank of Russia regulation the quality of the risk and capital management and internal control systems of a credit institution, banking group, capital adequacy and liquidity of a credit institution (banking group), their conformity to the nature and the scope of operations performed by a credit institution (in a banking group), the level and combination of risks assumed, including determining the volume and structure of operations as the criteria for such an assessment. Should an assessment reveal non-conformity of the risk and capital management and internal control systems, capital adequacy and liquidity of a credit institution (banking group) to the requirements set by the Bank

of Russia and (or) the nature and scope of operations performed by a credit institution (in a banking group), the level and combination of risks assumed, the Bank of Russia shall be obliged in compliance with the procedure prescribed by it to send the credit institution (parent credit institution of the banking group) a direction on bringing their risk and capital management and internal control systems into conformity with the Bank of Russia's requirements, the nature and scope of operations performed by the credit institution (in the banking group), the level and combination of risks assumed and (or) on establishing individual required ratio limits for the credit institution (banking group).

(Article 57² was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

Article 57³. The Bank of Russia shall be entitled in accordance with the procedure by the Bank of Russia regulation to assess the remuneration system of a credit institution as regards the results of risk management, both as a whole and in relation to the remuneration of persons specified in Article 60 of this Federal Law, the head of the risk management service, the head of the internal audit service, the head of the internal controls of a credit institution and other chiefs (employees) taking decisions on conducting by a credit institution of operations and other transactions, the results of which may influence its compliance of required ratios or the emergence of other situations threatening the interests of depositors and creditors, including the grounds for implementing measures for preventing the insolvency (bankruptcy) of a credit institution. Should the remuneration system of a credit institution fail to conform to the nature and scope of its operations, the results of its

activities, and risk level and profile or should the remuneration policy of a credit institution fail to stipulate terms and conditions for postponing and subsequently correcting the amount of compensatory and stimulating payments to the persons specified in this Article, proceeding from the terms of implementing the results of their activity (but no less than three years), including the possibility of reducing or cancelling payments in the event of a negative financial result for a credit institution as a whole or in the corresponding area of its activities, the Bank of Russia shall in accordance with the procedure prescribed by it send a credit institution a direction on eliminating this violation.

(Article 57³ was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

Article 57⁴. The Bank of Russia as agreed with the federal executive authority responsible for ensuring security and the federal executive authority responsible for countering technical intelligence and for technical information security shall set mandatory requirements for credit institutions to ensure information security in banking operations for the purpose of countering funds transfers without the customer's authorisation, except for information security requirements established by federal laws and the related regulations.

(Article 57⁴ was introduced by Federal Law No. 167-FZ, dated 27 June 2018)

In accordance with Federal Law No. 514-FZ, dated 30 December 2020, effective from 11 January 2022, this Federal Law will be supplemented with Article 57⁵ as follows:

'Article 57⁵. The Bank of Russia shall set mandatory requirements for credit institutions to ensure operational reliability when performing banking activities for the purpose of banking services continuity.'

Article 57⁶. For the purpose of fulfilling its control and supervision functions, the Bank of Russia shall maintain a list of controlling persons of each credit institution in line with its established procedures. This list shall include persons controlling the credit institution, information about which was sent to the Bank of Russia by the credit institution in accordance with Article 11¹⁻³ of the Federal Law ‘On Banks and Banking Activities’, as well as persons recognised by the Bank of Russia as persons controlling the credit institution in accordance with this article.

The Bank of Russia shall post information on the inclusion of a person in the list of persons controlling a credit institution on the Bank of Russia website no later than three business days following the day the Bank of Russia receives information about the said person, in relation to persons, information on which is sent to the Bank of Russia by a credit institution in accordance with Article 11¹⁻³ of the Federal Law ‘On Banks and Banking Activities’, and no later than 30 calendar days following the day when the Bank of Russia recognises a person as a person controlling a credit institution, in relation to persons recognised by the Bank of Russia as persons controlling the credit institution in accordance with this article. In cases determined by the Government of the Russian Federation, the Bank of Russia shall be entitled not to post on its official website information on the inclusion of a person in the list of persons controlling the credit institution, taking into account the list of information that is determined by the Government of the Russian Federation and that credit institutions are entitled not to disclose.

If there exist circumstances indicating that a person meets the criteria of a controlling person as set forth by Article 61¹⁰ and Clause 1 of Article

189²³ of the Federal Law ‘On Insolvency (Bankruptcy)’, the Bank of Russia shall be entitled to recognise the specified person as a person controlling a credit institution. The decision to recognise a person as a person controlling a credit institution shall be made by the Banking Supervision Committee and embody a rationale behind this decision including the circumstances that gave rise to this decision.

No later than the business day following the day the Bank of Russia recognises a person as the person controlling a credit institution, the Bank of Russia shall notify of this decision the credit institution, of which the said person was recognised as the controlling person, for the credit institution to notify this person.

A person included by the Bank of Russia in the list of persons controlling a credit institution shall be excluded by the Bank of Russia from this list upon the expiry of three years of the day the said person ceased to meet the criteria of a controlling person as set forth by Article 61¹⁰ and Clause 1 of Article 189²³ of the Federal Law ‘On Insolvency (Bankruptcy)’. A person included by the Bank of Russia in the list of persons controlling a credit institution shall be entitled to notify the Bank of Russia that it has ceased to meet the criteria of a controlling person established by Article 61¹⁰ and Clause 1 of Article 189²³ of the Federal Law ‘On Insolvency (Bankruptcy)’ by providing the appropriate rationale.

No later than the business day following the day a person, included by the Bank of Russia in the list of persons controlling a credit institution, was recognised as not meeting the criteria of a controlling person as set forth by Article 61¹⁰ and Clause 1 of Article 189²³ of the

Federal Law ‘On Insolvency (Bankruptcy)’, the Bank of Russia shall notify of this the credit institution whose controlling person the said person was, for the subsequent notification of this person by the credit institution.

No later than the business day following the day a person, included by the Bank of Russia in the list of persons controlling a credit institution, was recognised as not meeting the criteria of a controlling person as set forth by Article 61¹⁰ and Clause 1 of Article 189²³ of the Federal Law ‘On Insolvency (Bankruptcy)’, the Bank of Russia shall post this information on its official website. In cases determined by the Government of the Russian Federation, the Bank of Russia shall have the right not to post on its official website information that a person included by it in the list of persons controlling a credit institution has ceased to meet the criteria of a controlling person as set forth by Article 61¹⁰ and Clause 1 of Article 189²³ of the Federal Law ‘On Insolvency (Bankruptcy)’, taking into account the list of information determined by the Government of the Russian Federation that credit institutions are entitled not to disclose.

No later than the business day following the day the Bank of Russia excludes a person from the list of persons controlling a credit institution, the Bank of Russia shall notify of this the credit institution, whose controlling person the said person was, for the subsequent notification of this person by the credit institution.

A person included by the Bank of Russia in the list of persons controlling a credit institution shall have the right to appeal against

inclusion in this list to a commission handling such appeals in accordance with Article 60² of this Federal Law.

A person included by the Bank of Russia in the list of persons controlling a credit institution shall have the right to challenge inclusion in this list in court if the mandatory pre-trial appeal procedure stipulated by Part 9 of this Article is observed.

A person shall have the right to submit to the Bank of Russia a request for information on his/her records (if any) in the lists of persons controlling credit institutions. The request form, the list of documents and information attached thereto, and the procedure for their submission shall be established by the Bank of Russia. The Bank of Russia shall consider this request within seven business days of its receipt and send a response with requested information in line with the procedure established by it.

The Bank of Russia shall provide information on persons included in the lists of persons controlling credit institutions to the federal executive body in charge of countering the legalisation (laundering) of criminally obtained incomes, the financing terrorism and the financing of proliferation of weapons of mass destruction in line with the procedure, and within timeframes, established by the Bank of Russia in agreement with the said federal executive body.

(Article 57⁶ was introduced by Federal Law No. 23-FZ, dated 24 February 2021)

Article 58. The Bank of Russia shall not be entitled to require credit institutions to fulfil any functions incompatible with their status or require them to provide information on their clients or third persons that

is not envisaged by federal laws and not connected with the provision of banking services to these persons.

The Bank of Russia shall not be entitled to set directly or indirectly any restrictions on operations with clients of credit institutions that are not stipulated by federal laws or require credit institutions to demand from their clients any documents that are not stipulated by federal laws.

Article 59. The Bank of Russia shall make decisions on the state registration of credit institutions and, to fulfil its controlling and supervisory functions, it shall keep the State Register of Credit Institutions, issue banking licences to credit institutions and suspend and revoke such licences.

The Bank of Russia shall make decisions on the state registration of non-governmental pension funds, and keep the State Register of Non-governmental Pension Funds.

(Part two was introduced by Federal Law No. 410-FZ, dated 28 December 2013)

Article 60. The Bank of Russia shall follow its established procedure to assess the compliance with:

1) qualification and business reputation requirements for the sole executive body, his deputy, members of a collegiate executive body, chief accountant and deputy chief accountant of a credit institution, the head and chief accountant of a credit institution's branch (other than a non-bank credit institution entitled to carry out funds transfers without opening bank accounts and other related bank transactions) (including acting appointments and the performance of individual responsibilities

which provide for the right to manage funds in the credit institution's accounts with the Bank of Russia), the sole executive body and chief accountant of a non-bank credit institution entitled to carry out funds transfers without opening bank accounts and other related operations, and also candidates for the said positions (including acting appointments and the performance of individual responsibilities which provide for the right to manage funds in the credit institution's accounts with the Bank of Russia), as established by Clause 1 of Part one of Article 16 of the Federal Law 'On Banks and Banking Activities';

3) persons specified in Parts four and nine of Article 11¹ of the Federal Law ‘On Banks and Banking Activities’ if they fail to comply with business reputation requirements established by Clause 1 of Part one of Article 16 of the Federal Law ‘On Banks and Banking Activities’.

The receipt of the Bank of Russia’s order to replace an officer shall be the ground for a discharge of an employee if it is deemed impossible to transfer the employee upon his/her written consent to other position the employer has to offer at the same location that fits the employee’s qualification and business reputation (including a lower vacant position or lower-paid job). The employer shall offer jobs at other locations if this option is provided for by a collective agreement, contracts, and the labour contract.

The person specified in Parts one and two of this Article shall have the right to appeal against his/her recognition as non-compliant with qualification and (or) business reputation requirements in the Bank of Russia commission in accordance with Article 60¹ of this Federal Law.

(Article 60 as amended by Federal Law No. 281-FZ, dated 29 July 2017)

Article 60¹. Complaints against the decisions made by Bank of Russia officials on recognising a person non-compliant with qualification and (or) business reputation requirements established by federal laws shall be considered by the Bank of Russia complaint commission (hereinafter in this Article, the commission). The commission shall comprise Bank of Russia officers whose responsibilities excluded them from the preparation of documents on the recognition of a person as non-compliant with qualification and (or)

business reputation requirements established by federal laws, and may also comprise representatives of associations (unions), including self-regulatory organisations of credit institutions and (or) non-bank financial institutions or financial consumer protection associations. A complaint shall be considered by the commission consisting of at least three members selected to review a specific complaint in accordance with the regulation on the complaint commission.

The commission shall consider the complaint and the attached documents submitted by a to certify his/her compliance with qualification requirements and (or) non-involvement in the decision-making or actions (inactions), which resulted in grounds to recognise him/her non-compliant with business reputation requirements, no later than 30 days after their submission to the Bank of Russia. The commission shall be entitled to extend the complaint review period by no more than 15 days, should there be a need to additionally request (receive) documents and information about the person and the circumstances of the decision-making on recognising the person as non-compliant with qualification and (or) business reputation requirements established by federal laws. Based on the results of the consideration, the commission shall decide to satisfy or refuse to satisfy the said complaint, of which it shall inform the person in a written reasoned notice. The procedure for appealing against a person's recognition as non-compliant with qualification and (or) business reputation requirements shall be established by the Bank of Russia.

The regulation on the commission, its members and the procedure for appealing against a person's recognition as non-compliant with

qualification and (or) business reputation requirements shall be approved by the Board of Directors.

(Article 60¹ was introduced by Federal Law No. 281-FZ, dated 29 July 2017)

Article 60². Complaints of persons included in the lists of persons controlling credit institutions, insurance companies, and non-governmental pension funds shall be considered by the Bank of Russia's commission for handling complaints against inclusion in the lists of controlling persons (hereinafter in this Article, the commission).

The commission operates on an ongoing basis pursuant to its regulations approved by the Board of Directors. The personal composition of the commission shall be determined by the Board of Directors.

A complaint and documents attached thereto substantiating a person's non-conformity with the criteria of persons controlling credit institutions as set forth by Article 61¹⁰ and Clause 1 of Article 189²³ of the Federal Law 'On Insolvency (Bankruptcy)', or the criteria of persons controlling insurance companies as set forth by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law 'On Insolvency (Bankruptcy)', or with the criteria of persons controlling non-governmental pension funds as set forth by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law 'On Insolvency (Bankruptcy)' shall be considered by the commission within 30 calendar days from the date of their receipt by the Bank of Russia. A complaint together with documents attached thereto shall be reviewed by the commission consisting of at least three members selected to review a specific complaint in accordance with the

commission's regulations. The commission to review a specific complaint shall not include Bank of Russia officials involved in making a decision by the Banking Supervision Committee or the Financial Supervision Committee on recognising the complaining person as a person controlling a credit institution or an insurance company or a non-governmental pension fund; nor shall it include those involved, in accordance with their official duties, in the identification of circumstances giving rise to the relevant decision of the Banking Supervision Committee or the Financial Supervision Committee, or those involved in the preparation of materials considered by the Banking Supervision Committee or the Financial Supervision Committee when making the relevant decision.

Based on the results of review of the complaint, the commission makes a decision on satisfying or refusing to satisfy the complaint, about which it sends a reasoned message in writing to the complaining person. The procedure for appealing against the inclusion of a person in the lists of persons controlling credit institutions, insurance companies or non-governmental pension funds shall be established by the Bank of Russia.

(Article 60² was introduced by Federal Law No. 23-FZ, dated 24 February 2021)

Article 61. Unless otherwise established by federal laws, the acquisition (except for the acquisition of shares (stakes) of a credit institution when the credit institution is being founded), including the donation, and (or) the receipt to trust management (hereinafter, the acquisition) of more than one per cent of shares (stakes) of the credit institution as a result of one or more transactions by a legal entity or an

individual shall require notification of the Bank of Russia, and a prior consent of the Bank of Russia if more than 10 per cent of shares (stakes) are acquired. The requirements established in this Article shall also apply to the acquisition of more than one per cent of shares (stakes) of a credit institution, and more than 10 per cent of shares (stakes) of a credit institution by a group of persons.

The Bank of Russia's prior consent shall also be required under the procedure established by this Article for the acquisition of:

1) more than 10 per cent of shares of a credit institution, but no more than 25 per cent of shares;

2) more than 10 per cent of stakes in a credit institution, but no more than one-third of stakes;

3) more than 25 per cent of shares of a credit institution, but no more than 50 per cent of shares;

4) more one-third of stakes in a credit institution, but no more than 50 per cent of stakes;

6) more than 50 per cent of stakes in a credit institution, but no more than two-thirds of stakes;

7) more than 75 per cent of shares of a credit institution;

8) more than two-thirds of stakes in a credit institution.

The Bank of Russia's prior consent shall also be required when a legal entity or an individual as a result of one or several transactions establishes direct or indirect (via third persons) control over shareholders (stakeholders) of a credit institution holding more than 10 per cent of

shares (stakes) of a credit institution (hereinafter, the establishment of control over shareholders (stakeholders) of a credit institution).

The requirements set forth in this Article shall also apply to the establishment of control over shareholders (stakeholders) of a credit institution by a group of persons.

No later than 30 days after the receipt of an application for the Bank of Russia's consent to conduct a transaction (transactions) to acquire more than 10 per cent of shares (stakes) of a credit institution and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a credit institution, the Bank of Russia shall notify the applicant in writing about its decision to approve the transaction (transactions) or deny the approval. Should the Bank of Russia fail to communicate its decision within the said period, the respective transaction (transactions) shall be deemed approved.

A notification of the acquisition of more than one per cent of shares (stakes) of a credit institution shall be submitted to the Bank of Russia no later than 30 days after the acquisition of shares (stakes) of a credit institution. A notification of the establishment of control over shareholders (stakeholders) of a credit institution shall be submitted to the Bank of Russia no later than 30 days after the transaction (transactions) to establish control over shareholders (stakeholders) of a credit institution is (are) conducted.

In cases established by federal laws, the Bank of Russia's consent for a transaction (transactions) aimed at the acquisition of more than 10 per cent of shares (stakes) of a credit institution and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a

credit institution may be obtained after the respective transaction is conducted (hereinafter, the subsequent approval).

The procedure for obtaining the Bank of Russia's approval of a transaction (transactions) to acquire more than 10 per cent of shares (stakes) of a credit institution and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a credit institution, and the procedure for the notification of the Bank of Russia of the acquisition of more than one per cent of shares (stakes) of a credit institution and (or) establishing control over shareholders (stakeholders) of a credit institution, shall be established by federal laws and Bank of Russia regulations adopted in pursuance thereof.

As part of its supervisory function the Bank of Russian shall be entitled:

1) to request and receive, in accordance with the established procedure, information about financial position and business reputation, and assess financial position of:

a) individuals or legal entities conducting a transaction (transactions) to acquire more than 10 per cent of shares (stakes) of the credit institution, and also individuals and legal entities exercising control over the said legal entities;

b) individuals or legal entities conducting a transaction (transactions) to acquire no more than 10 per cent of shares (stakes) of the credit institution and making part of a group of persons acquiring more than 10 per cent of shares (stakes) of the credit institution, and also individuals or legal entities exercising control over the said legal entities;

c) individuals or legal entities conducting a transaction (transactions) to establish control over shareholders (stakeholders) of the credit institution;

d) individuals or legal entities conducting a transaction (transactions) to establish control over shareholders (stakeholders) holding no more than 10 per cent of shares (stakes) of the credit institution and these shareholders (stakeholders) if as a result of such transaction (transactions) these shareholders (stakeholders) make part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

e) individuals or legal entities conducting a transaction (transactions) to establish control over shareholders (stakeholders) holding no more than 10 per cent of shares (stakes) of the credit institution and making a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

f) legal entities holding more than 10 per cent of shares (stakes) of the credit institution;

g) legal entities holding no more than 10 per cent of shares (stakes) of the credit institution and making part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

h) legal entities controlling shareholders (stakeholders) holding more than 10 per cent of shares (stakes) of the credit institution;

i) legal entities controlling shareholders (stakeholders) holding less than 10 per cent of shares (stakes) of the credit institution and making part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

2) to request and receive, in accordance with the established procedure, information about business reputation of:

a) individuals holding more than 10 per cent of shares (stakes) of the credit institution;

b) individuals holding no more than 10 per cent of shares (stakes) of the credit institution and making part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

c) individuals controlling shareholders (stakeholders) holding more than 10 per cent of shares (stakes) of the credit institution;

d) individuals controlling shareholders (stakeholders) holding no more than 10 per cent of shares (stakes) of the credit institution and making part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

e) persons acting as the sole executive body of legal entities specified in Clause 1 of this Part, or legal entities, which are shareholders (stakeholders) of the credit institution, holding no more than 10 per cent of its shares (stakes) with respect to which control is established in the case specified in Sub-clause 'd' of Clause 1 hereof;

3) to establish the procedure and criteria for assessing the financial position and the requirements for the financial positions of the persons specified in Clause 1 hereof, and the procedure for assessing business reputation of the persons specified in Clauses 1 and 2 hereof.

Should an unsatisfactory financial position and (or) unsatisfactory business reputation of the persons specified in Sub-clauses 'a' - 'e' of Clause 1 of Part nine of this Article, and (or) an unsatisfactory business reputation of the person acting as the sole executive body of these legal

entities, or corporate shareholders (stakeholders) holding no more than 10 per cent of shares (stakes) of the credit institution, over which control is being established, specified in Sub-clause 'd' of Clause 1 of Part nine of this Article be revealed and also in other cases stipulated by federal laws and Bank of Russia regulations adopted in pursuance thereof, the Bank of Russia shall refuse consent to the following transactions:

1) a transaction (transactions) to acquire more than 10 per cent of shares (stakes) of the credit institution;

2) a transaction (transactions) to purchase no more than 10 per cent of shares (stakes) of the credit institution by a person within a group of persons acquiring more than 10 per cent of shares (stakes) of the credit institution;

3) a transaction (transactions) to establish control over shareholders (stakeholders) of the credit institution;

4) a transaction (transactions) aimed at establishing control over shareholders (stakeholders) holding no more than 10 per cent of shares (stakes) of the credit institution if as a result of such transaction (transactions) the said shareholders (stakeholders) make part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution;

5) a transaction (transactions) aimed at establishing control over shareholders (stakeholders) of the credit institution holding no more than 10 per cent of shares (stakes) of the credit institution and making part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution.

Within thirty days after the revelation of the unsatisfactory financial position and (or) unsatisfactory business reputation of legal entities holding more than 10 per cent of shares (stakes) of the credit institution and (or) controlling shareholders (stakeholders) holding more than 10 per cent of shares (stakes) of the credit institution as specified in Sub-clauses 'f' and 'h' of Clause 1 of Part nine of this Article, and (or) unsatisfactory business reputation of the persons acting as the sole executive body of these legal entities, and (or) unsatisfactory business reputation of individuals holding more than 10 per cent of shares (stakes) of the credit institution and (or) controlling the shareholders (stakeholders) holding more than 10 per cent of shares (stakes) of the credit institution as specified in Sub-clauses 'a' and 'c' of Clause 2 of Part nine of this Article, the Bank of Russia shall submit to such legal entities and individuals an instruction with a demand to remedy the violations specified in this Part or to reduce the shareholder's (stakeholder's) participation in the authorised capital of the credit institution to the amount not exceeding 10 per cent of shares (stakes) of the credit institution, or an instruction with a demand to remedy the violations specified in this Article or to make a transaction (transactions) aimed at terminating the control over shareholders (stakeholders) of the credit institution. The Bank of Russia shall also submit this instruction to legal entities and individuals in cases they fail to provide or violate the procedure or timeframe for provision to the Bank of Russia of information about financial position and (or) business reputation of legal entities, and (or) business reputation of the sole executive body of the said legal entities, and (or) business reputation of an individual.

Should there be revealed unsatisfactory financial position and (or) unsatisfactory business reputation of a legal entity holding no more than 10 per cent of shares (stakes) of the credit institution and being a part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution as specified in Sub-clause 'g' of Clause 1 of Part nine of this Article, and (or) unsatisfactory business reputation of a person acting as the sole executive body of the said legal entity, and (or) unsatisfactory business reputation of an individual holding no more than 10 per cent of shares (stakes) of the credit institution and being a part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution as specified in Sub-clause 'b' of Clause 2 of Part nine of this Article, the Bank of Russia within the timeframe specified in Part eleven of this Article shall submit to such legal entity or individual an instruction with a demand to remedy the violations specified in this Part or a demand for such legal entity or individual (other person within this group of persons) to take measures aimed at terminating the reasons under which such legal entity or individual makes part of the said group of persons, or to reduce stakes of persons within the said group of persons in the authorised capital of the credit institution to the amount under which their total stake in the authorised capital of the credit institution shall not exceed 10 per cent of shares (stakes) of the credit institution. Should there be revealed unsatisfactory financial position and (or) unsatisfactory business reputation of a legal entity exercising control over a shareholder (stakeholder) of the credit institution holding no more than 10 per cent or shares (stakes) of the credit institution and being a part of a group of persons holding more than 10 per cent of shares

(stakes) of the credit institution as specified in Sub-clause 'i' of Clause 1 of Part nine of this Article, and (or) unsatisfactory business reputation of a person acting as the sole executive body of the said legal entity, and (or) unsatisfactory business reputation of an individual exercising control over a shareholder (stakeholder) holding no more than 10 per cent of shares (stakes) of the credit institution and being a part of a group of persons holding more than 10 per cent of shares (stakes) of the credit institution as specified in Sub-clause 'd' of Clause 2 of Part nine of this Article, the Bank of Russia within the timeframe specified in Part eleven of this Article shall submit to such legal entity or individual an instruction with a demand to remedy the violations specified in this Part or a demand for such legal entity or individual to take measures aimed at terminating the control over the said shareholder (stakeholder) of the credit institution, or to reduce stakes of persons within the said group of persons in the authorised capital of the credit institution to the amount under which their total stake in the authorised capital of the credit institution shall not exceed 10 per cent of shares (stakes) of the credit institution. The Bank of Russia shall also submit the instructions specified in this Part to the legal entities and individuals specified in this Part in cases they fail to provide or violate the procedure or timeframe for provision to the Bank of Russia of information about financial position and (or) business reputation of legal entities, and (or) business reputation of the sole executive body of the said legal entities, and (or) business reputation of an individual.

Should there be revealed unsatisfactory business reputation of a legal entity or an individual engaged in trust management of shares

(stakes) of the credit institution, an individual acting as the sole executive body of the said legal entity, the Bank of Russia within the timeframe stipulated in Part eleven of this Article shall submit to such legal entity or individual an instruction with a demand to remedy the violations specified in this Part or terminate trust management.

The copy of the instruction specified in Parts eleven - thirteen of this Article, shall be submitted to the credit institution and other persons the list of which shall be determined by a Bank of Russia regulation. The Bank of Russia shall follow the established procedure to post on the Bank of Russia website the information about the submitted instruction specified in Parts eleven - thirteen of this Article no later than the day it is submitted. The credit institution shall no later than the day following the receipt of the instruction copy communicate to its shareholders (stakeholders) the information about the receipt of the said instruction copy in accordance with the procedure stipulated in a Bank of Russia regulation.

Persons specified in Parts eleven - thirteen of this Article shall fulfil the instruction within no more than 90 days after its receipt and no later than five days after the fulfilment of the instruction communicate this to the credit institution and the Bank of Russia in accordance with the procedure established by a Bank of Russia regulation.

(Clause 11 was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

The Bank of Russia may set the required ratios, which are indicated in Part one of this Article, for banking groups.

Article 62¹. The Bank of Russia shall set the following required ratios for non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations stipulated in Clause 1 of Part three of Article 1 of the Federal Law ‘On Banks and Banking Activities’:

1) the equity (capital) adequacy ratio defined as the ratio between the amount of equity (capital) and the amount of liabilities to customers as of the latest quarterly reporting date. The equity (capital) adequacy ratio shall be set at the level of 2 per cent;

2) the liquidity ratio defined as the ratio between the amount of liquid assets with maturities in the next 30 calendar days and the amount of liabilities to customers as of the latest quarterly reporting date. The liquidity ratio shall be set at the level of 100 per cent.

Non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations shall be obliged to manage their operational risks and ensure

uninterrupted funds transfers in compliance with the requirements set by Bank of Russia regulations.

Non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations shall be required to submit reports to the Bank of Russia quarterly, if the average amount of their liabilities to customers accumulated over the period of six months to make funds transfers without opening bank accounts exceeds two billion rubles during a month.

Non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations shall submit reporting to the Bank of Russia once every six months, if the average amount of their liabilities to customers accumulated over the period of six months to make funds transfers without opening bank accounts does not exceed two billion roubles during a month.

The procedure and forms of reporting by non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations shall be set by Bank of Russia regulations. The Government of the Russian Federation shall be entitled to determine the cases when non-bank credit institutions specified in this Part shall be entitled not to disclose and (or) only partially disclose to general public information about persons exercising control or a material influence over them which is subject to disclosure in accordance with the requirements of this Part, and also persons with respect to whom such

non-bank credit institutions shall be entitled not to disclose and (or) only partially disclose the said information.

(Part five as amended by Federal Law No. 482-FZ, dated 31 December 2017)

Non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations shall be entitled to place funds provided by their customers for funds transfers without opening bank accounts exclusively:

- 1) in a correspondent account with the Bank of Russia;
- 2) in deposit accounts with the Bank of Russia;
- 3) in correspondent accounts with credit institutions.

Non-bank credit institutions empowered to make funds transfers without opening bank accounts and conduct other related banking operations shall be required to disclose to general public information about persons exercising control or a material influence over them, in accordance with the procedure established by the Bank of Russia for banks registered in the system of mandatory insurance of deposits with Russian banks.

(Part seven as amended by Federal Laws No. 146-FZ, dated 2 July 2013; and No. 322-FZ, dated 3 August 2018)

(Article 62¹ was introduced by Federal Law No. 162-FZ, dated June 27, 2011)

Article 62². The Bank of Russia shall set the following required ratios for non-bank credit institutions – central counterparties:

- 1) own funds (capital) adequacy ratio;
- 2) adequacy of aggregate resources ratio;
- 3) adequacy of an individual clearing collateral ratio;
- 4) liquidity ratio;

5) maximum amount of concentration risk ratio.

The numeric values and methodology for calculating the required ratios of the non-bank credit institution – central counterparty shall be set by a Bank of Russia regulation.

The non-bank credit institution – central counterparty shall not be subject to the required ratios stipulated by Articles 62 and 62¹ hereof.

(Article 62² was introduced by Federal Law No. 403-FZ, dated 29 December 2015)

Article 63. *The Article is null and void in accordance with Federal Law No. 60-FZ, dated 3 May 2006.*

Article 64. Maximum amount of exposure per one borrower or a group of related borrowers shall be established for a credit institution as percentages of the own funds (capital) of a credit institution and may not exceed 25 per cent of the own funds (capital) of a credit institution (excluding banks with basic licences); for a banking group it shall be established as percentages of the own funds (capital) of a banking group and may not exceed 25 per cent of the own funds (capital) of a banking group.

(Part one as amended by Federal Law No. 92-FZ, dated 1 May 2017)

In establishing maximum exposure per one borrower or a group of related borrowers, the amount of liabilities of a person (persons in a group of related borrowers) to a credit institution (a banking group) and the amount of liabilities to third parties giving rise to the emergence of a credit institution's claims to that person (the persons in a group of related borrowers) shall be taken into account.

For the purposes of this Federal Law, a group of related borrowers shall mean borrowers (legal entities and (or) individuals) in the case when one of the borrowers controls or has a material impact on another borrower (other borrowers) or when borrowers are under the control or material influence of a third party (third parties) other than a borrower (borrowers). Control and material influence shall be defined in accordance with the International Financial Reporting Standards recognised on the territory of the Russian Federation.

For the purposes of this Federal Law, a group of related borrowers of a credit institution (a banking group) shall also include borrowers (legal entities and (or) individuals) related in such a manner that a deterioration in the economic situation of one person may cause non-fulfilment (improper fulfilment) by another person (other persons) of their obligations to a credit institution (a banking group), in particular, by virtue of the fact that legal entities and (or) individuals provided directly or through third parties monetary funds, which were received from a credit institution (a banking group) under a loan (credit, deposit) agreement, to another person or a group of persons under a loan (credit, deposit) agreement; the obligations of legal entities and (or) individuals to a credit institution under a loan (credit, deposit) agreement are fulfilled by one and the same third party other than a person bound to a credit institution (a banking group) under a loan (credit, deposit) agreement.

For banks with basic licences, maximum amount of exposure per one borrower or a group of related borrowers may not exceed 20 per cent of the own funds (capital) of a bank with a basic licence. Bank of Russia normative acts may define calculation specifics of the maximum amount

of exposure per one borrower or a group of related borrowers for banks with basic licences.

(Part five was introduced by Federal Law No. 92-FZ, dated 1 May 2017)

Article 64 as amended by Federal Law No. 146-FZ, dated 2 July 2013)

Article 64¹. Maximum amount of risk per one person related to a credit institution (a group of persons related to a credit institution) shall be established as percentages of the own funds (capital) of a credit institution and may not exceed 20 per cent of the own funds (capital) of a credit institution.

For the purposes of this Federal Law, a legal entity related to a credit institution shall mean a legal entity, which controls a credit institution or has a material impact on it, or a legal entity whose activity is controlled by a credit institution or which is under a material impact of a credit institution.

For the purposes of this Federal Law, an individual related to a credit institution shall mean an individual (the individual's close relatives: his/her spouse, parents, children, adoptive parents, adopted persons, whole blood brothers and sisters, a grandfather, a grandmother, and grandchildren) who:

- 1) controls a credit institution or has a material impact on it;
- 2) is a member of a board of directors (supervisory board), a sole executive body, his/her deputy, chief accountant of a credit institution, a member of a collegiate executive body or another head (employee) taking decisions (including on a collegiate basis) on the performance by a credit institution of operations (transactions), the results of which may influence the observance by a credit institution of required ratios or the

emergence of the grounds for implementing measures for preventing the insolvency (bankruptcy) of a credit institution.

Legal entities and (or) individuals related to a credit institution shall comprise in accordance with this Federal Law a group of persons related to a credit institution, except for legal entities whose activity is controlled by a credit institution or which are under a material influence of a credit institution or close relatives of persons related to a credit institution.

In establishing maximum amount of risk per person related to a credit institution (a group of persons related to a credit institution), the amount of liabilities of a person (persons in a group of persons) to a credit institution and the amount of liabilities to third parties giving rise to the emergence of a credit institution's claims to that person (the persons in a group of persons) shall be taken into account. In establishing maximum amount of risk per person related to a credit institution (a group of persons related to a credit institution), a group of persons shall be defined in accordance with the meaning given in Federal Law No. 135-FZ, dated 26 July 2006, 'On the Protection of Competition'. The Bank of Russia shall determine by a normative act the criteria of a possible relatedness of a person (persons) to a credit institution, and also the procedure for the Bank of Russia to exercise control over the observance by credit institutions of calculated maximum amount of risk per person related to a credit institution (a group of persons related to a credit institution).

For the purposes of establishing maximum amount of risk per person related to a credit institution (a group of persons related to a credit institution), the Banking Supervision Committee shall have the right to take a decision on acknowledging a person as a person related to a credit

institution (being part of a group of persons related to a credit institution) pursuant to an informed judgment. A decision by the Banking Supervision Committee shall provide substantiation for acknowledging a person (persons) as a person related to a credit institution (being part of a group of persons related to a credit institution), including information on the criteria that gave the grounds for taking this decision, the time limits for a credit institution to bring the requirements for a person (persons) acknowledged as a person related to a credit institution (being part of a group of persons related to a credit institution) into compliance with the amount established by the Bank of Russia pursuant to this Federal Law. The Chairman of the Banking Supervision Committee shall have the right to send a request binding for a credit institution to provide additional information to the Banking Supervision Committee to consider the issue of acknowledging a person (persons) as a person related to a credit institution (being part of a group of persons related to a credit institution).

Pursuant to a decision by the Banking Supervision Committee, the Bank of Russia shall send a credit institution an order to acknowledge a person (persons) as a person related to a credit institution (being part of a group of persons related to a credit institution).

A credit institution shall have the right within 15 business days after receiving such an order to appeal to the Bank of Russia Governor against it. In its statement of appeal, a credit institution must substantiate the absence of relatedness of a person (persons), in relation to whom the order was sent, to the credit institution. The Bank of Russia Governor shall consider this statement within 15 business days from the day it is

received by the Bank of Russia. After considering a statement of appeal, the Bank of Russia Governor shall deny the appeal by a credit institution or cancel the order.

A credit institution shall bring maximum amount of risk per person acknowledged as a person related to a credit institution (being part of a group of persons related to a credit institution) into compliance with the amount established by the Bank of Russia pursuant to this Federal Law and shall inform the Bank of Russia thereof. In the event of fulfilment (partial fulfilment) of an obligation to a credit institution by a person (a group of persons), in relation to whom the order was sent, a credit institution shall send information on the said circumstances to the Banking Supervision Committee, including a statement confirming that the fulfilment (partial fulfilment) of the obligation was not connected with the assumption by a credit institution directly or indirectly (through third parties) of risks of incurring losses. The Banking Supervision Committee shall consider information provided by a credit institution and take a decision on recognising or refusing to recognise the fact that a credit institution has brought maximum amount of risk per person acknowledged as a person related to a credit institution (being part of a group of persons related to a credit institution) into compliance with the amount established by the Bank of Russia pursuant to this Federal Law. The Banking Supervision Committee Chairman (his/her deputy) shall have the right to send a request binding for a credit institution to provide additional information to the Banking Supervision Committee to consider this issue.

Bank of Russia normative acts shall define the procedure for the Banking Supervision Committee for taking a decision on referring a person to persons related to a credit institution (those being part of a group of persons related to a credit institution) pursuant to an informed judgment and the procedure for sending orders to a credit institution and considering appeals from a credit institution in compliance with this Article.

Decisions by the Banking Supervision Committee and orders stipulated in this Article may be appealed against in an arbitration court in accordance with the procedure established by federal laws.

Bank of Russia normative acts may define calculation specifics of the maximum amount of risk per a person related to a credit institution (a group of persons related to a credit institution) for banks with basic licences.

(Part twelve was introduced by Federal Law No. 92-FZ, dated 1 May 2017)

(Article 64¹ was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

Article 65. Maximum limit on large exposures shall be established as a percentage ratio of the total amount of large exposures to the amount of the own funds (capital) of a credit institution (banking group).

Large exposure shall be the sum of loans, guarantees and sureties granted to one client exceeding 5 per cent of the own funds (capital) of a credit institution (banking group).

The maximum limit of large exposures shall not exceed 800 per cent of the own funds (capital) of a credit institution (banking group).

The Bank of Russia shall be entitled to keep a register of large exposures of credit institutions (banking groups).

Article 66. The liquidity ratios of a credit institution and a banking group shall be determined as follows:

(the Paragraph as amended by Federal Law No. 146-FZ, dated 2 July 2013)

the ratio between its assets and liabilities, taking into account the terms, amounts and the kinds of assets and liabilities, and other factors;

the ratio between its liquid assets (cash, on-demand banking claims, short-term securities, and other marketable assets) and aggregate assets.

Article 67. The own funds (capital) adequacy ratios shall be determined as the ratio between the amount of own funds (capital) of a credit institution (banking group) and its risk-weighted aggregate assets.

The Bank of Russia shall have the right to establish buffers to capital adequacy ratios of a credit institution, banking group (capital conservation buffer, countercyclical capital buffer), and systemic capital charge of systematically important credit institutions, banking groups whose parent company or participant is a systematically important credit institution, method for calculating them, procedure for meeting them and recovery of own funds (capital) by credit institutions (parent credit institutions of the banking group, participants of the banking group) in order to comply with the said capital add-ons.

(Part two was introduced by Federal Law No. 432-FZ, dated 22 December 2014)

When determining the procedure for meeting the capital charges envisaged by Part two of this Article and recovery of own funds (capital) by credit institutions (parent credit institutions of the banking group, participants of the banking group) in order to comply with the said capital charges, the Bank of Russia shall determine the amount of profit

credit institutions (parent credit institutions of the banking group, participants of the banking group) shall not allocate due to the requirement to restore the amount of own funds (capital), the method for calculating them for the purposes envisaged by this Part, and the procedure for credit institutions (parent credit institutions of the banking group, participants of the banking group) to submit to the Bank of Russia notifications on such calculation, the procedure for compiling own funds (capital) recovery plan and to have them approved by the Bank of Russia.

(Part 3 was introduced by Federal Law No. 432-FZ, dated 22 December 2014)

Article 68. The Bank of Russia shall regulate the amount and accounting procedure for the open position of credit institutions (banking groups) on exchange rate risk, interest rate risk and other financial risks.

Article 69. The Bank of Russia shall establish the procedure for creating and the amount of pre-tax reserves (funds) of credit institutions to cover possible loan losses, as well as exchange rate risk, interest rate risk and other financial risks in compliance with federal laws.

(Article 69 as amended by Federal Law No. 180-FZ, dated 23 December 2003)

Article 70. The ratios for the use of own funds (capital) of a credit institution for the acquisition of shares (stakes) of other legal entities shall be determined as a percentage ratio of the sum investment to the sum of own funds (capital) of a credit institution (banking group).

The ratio for the use of own funds (capital) of a credit institution for the acquisition of shares (stakes) of other legal entities may not exceed

25 per cent of the own funds (capital) of a credit institution (banking group).

Article 71. *The Article is null and void in accordance with Federal Law No. 53-FZ, dated 7 March 2018.*

Article 71¹. The Bank of Russia shall be entitled to establish differentiated required ratios and methods for calculating them stipulated by Article 62 of this Federal Law, as well as additional required ratios (the correlation of specific assets and liabilities), with their sizes and calculation methods determined by the Bank of Russia, for credit institutions that issue mortgage-backed bonds or bonds secured by monetary claims, or assign monetary claims, which serve as collateral for the obligations of a mortgage agent or a specialised company.

(Article 71¹ was introduced by Federal Law No. 379-FZ, dated 21 December 2013)

Article 72. The Bank of Russia shall establish the methods for calculating capital and required ratios of a credit institution (banking group), taking into account international standards and consultations with credit institutions and banking associations and unions.

(Part one as amended by Federal Law No. 146-FZ, dated 2 July 2013)

The Bank of Russia shall be entitled to establish different ratios and methods for calculating them for various credit institutions, depending, among other things, on the types of licences issued to banks, and in other cases envisaged by this Federal Law.

(Part two as amended by Federal Laws No. 432-FZ, dated 22 December 2014; and No. 92-FZ, dated 1 May 2017)

The Bank of Russia shall officially announce any forthcoming change in ratios and methods for calculating them no later than one month before introducing them.

To calculate the capital of a credit institution and a banking group, the Bank of Russia shall evaluate their assets and liabilities, including the adequacy of risk provisions, using the evaluation methods established by Bank of Russia regulations. The credit institution and the banking group shall indicate the amount of their own capital, established by the Bank of Russia, in their accounting (financial) and other statements.

(Part four as amended by Federal Laws No. 146-FZ, dated 2 July 2013; and No. 362-FZ, dated 3 July 2016)

Should the amount of own capital of a credit institution prove smaller than its authorised capital, indicated in its founding documents, the Bank of Russia shall demand that this credit institution match its capital with its authorised capital. The credit institution shall comply with the Bank of Russia's prescription in accordance with the procedure, within the terms and on the conditions established by Paragraph 4¹ of Chapter IX of the Federal Law 'On Insolvency (Bankruptcy)'.¹

(Part five as amended by Federal Laws No. 432-FZ, dated 22 December 2014; and No. 87-FZ, dated 23 April 2018)

The Bank of Russia shall establish the conditions for including subordinated credits (deposits, loans and bonded loans) into the sources of capital of a credit institution and the conditions for excluding subordinated credits (deposits, loans and bonded loans) from the sources of capital of a credit institution. The sum of the subordinated credit (deposit, loan or bonded loan) may be excluded from the calculation of

capital of a credit institution subject to a prior agreement with the Bank of Russia reached according to the procedure established by the Bank of Russia regulation, if the subordinated credit (deposit or loan) agreement is terminated before the expiry of its term or if bonds are redeemed ahead of schedule on the initiative of the borrower credit institution.

(Part six was introduced by Federal Law No. 247-FZ, dated 29 December 2006)

The Bank of Russia shall be entitled to suspend payment of the principal amount of the debt and (or) interest under a subordinated credit (deposit or loan) agreement or bonds according to the procedure set by the Bank of Russia regulations if the suspension of payments is provided for by the subordinated credit (deposit or loan) agreement or the registered terms of bond issue and the effectuation of scheduled payments to creditors creates the grounds for implementing bankruptcy prevention measures stipulated by Paragraph 4¹ of Chapter IX of the Federal Law ‘On Insolvency (Bankruptcy)’. At the same time, the Bank of Russia shall prohibit credit institutions from making decisions on the allocation of profit between their founders (stakeholders) and the payment (announcement) of dividends to them and from allocating profits between their founders (stakeholders), paying them dividends and meeting the demands by the founders (stakeholders) of credit institutions for allocating a share (a part thereof) to them or paying its actual value or buying out shares in credit institutions. The suspension of payments under the subordinated credit (deposit or loan) agreement or on bonds and the prohibition for a credit institution to make decisions on the allocation of profit between its founders (stakeholders) and the payment (announcement) of dividends to them and from allocating profits between its founders

(stakeholders), paying them dividends and meeting the demand by the founders (stakeholders) of the credit institution for allocating a share (a part thereof) to them or paying its actual value or buying out shares in the credit institution shall be cancelled at the request of the credit institution, made according to the procedure established by the Bank of Russia, if the real threat of the emergence of the grounds for implementing bankruptcy prevention measures has been removed.

(Part seven was introduced by Federal Law No. 247-FZ, dated 29 December 2006, as amended by Federal Law No. 432-FZ, dated 22 December 2014)

The Bank of Russia shall have the right to demand that the credit institution swap (convert) credit institution's creditors' claims on subordinated credits (deposits, loans, bonded loans) on the grounds and according to the procedure established by a Bank of Russia regulation.

(Part eight was introduced by Federal Law No. 432-FZ, dated 22 December 2014)

To appraise the assets and liabilities of a credit institution, including the adequacy of risk provisions, the Bank of Russia shall, according to its duly established procedure, examine the subject of pledge taken by the credit institution as a security on loan, including the ascertainment of the actual availability of the subject of pledge and its examination, the ascertainment of the legal status of the subject of pledge, as well as the judgment on the value of the subject of pledge made on the basis of the federal appraisal standards stipulated by Article 20 of Federal Law No. 135-FZ, dated 29 July 1998, 'On Appraisal Activities in the Russian Federation'. The credit institution shall make the aforementioned provisions proceeding from the results of the examination of the subject of pledge made by the Bank of Russia.

(Part nine was introduced by Federal Law No. 362-FZ, dated 3 July 2016)

The Bank of Russia shall assess the economic standing of a credit institution according to the methods for conducting such assessment established by a Bank of Russia normative act. The Bank of Russia shall be entitled to determine the specifics of assessment of credit institutions' economic standing according to the types of credit institutions, depending, among other things, on the types of licences issued to banks.

(Part ten was introduced by Federal Law No. 92-FZ, dated 1 May 2017)

Article 72¹. The Bank of Russia shall establish requirements for bank risk management methods and quantitative risk assessment models, including for the quality of data used in these models, applied by credit institutions and banking groups for evaluating assets, calculating capital adequacy ratio and other required ratios.

A credit institution, the parent credit institution of a banking group may assume the duty of applying bank risk management methods and quantitative risk assessment models for calculating required ratios. Bank risk management methods and quantitative risk assessment models shall be applied only on the basis of a permission issued by the Bank of Russia at the request of the credit institution or the parent credit institution of the banking group. The procedure for obtaining the permission for applying bank risk management methods and quantitative risk assessment models shall be established by the Bank of Russia.

The procedure for evaluating the quality of bank risk management methods and quantitative risk assessment models shall be established by Bank of Russia regulations.

The Bank of Russia shall refuse to give the permission, if an evaluation of the quality of bank risk management methods and quantitative risk assessment models held by the Bank of Russia finds them inconsistent with Bank of Russia requirements.

Credit institutions and the parent credit institutions of banking groups must comply with the bank risk management methods and quantitative risk assessment models, the application of which was permitted by the Bank of Russia.

Material changes in bank risk management methods and quantitative risk assessment models applied pursuant to the Bank of Russia permission shall be allowed only on the basis of the permission obtained from the Bank of Russia in accordance with the procedure stipulated by this Article. The criteria of material changes shall be established by the Bank of Russia.

In the event of a failure to comply with the bank risk management methods and quantitative risk assessment models, the application of which was permitted by the Bank of Russia, the Bank of Russia shall have the right in accordance with its prescribed procedure to require the compliance of the said bank methods and models and (or) establish increased values for risk parameters used for calculating capital adequacy and (or) apply measures stipulated by Part one of Paragraph three of Clause 2 and Clause 6 of Part two of Article 74 of this Federal Law.

Should bank risk management methods and quantitative risk assessment models cease to comply with Bank of Russia requirements, the Bank of Russia shall have the right in accordance with its prescribed

procedure to require that the said bank methods and models be brought into compliance with Bank of Russia requirements and (or) establish increased values for risk parameters used for calculating capital adequacy and (or) apply measures stipulated by Part one of Paragraph three of Clause 2 and Clause 6 of Part two of Article 74 of this Federal Law.

Should grounds be eliminated or changed for establishing increased values for risk parameters, the Bank of Russia shall make a decision on their cancellation and inform a credit institution and the parent credit institution of a banking group thereof in accordance with the procedure prescribed by the Bank of Russia.

Should a credit institution or the parent credit institution of a banking group fail to comply with the requirements sent by the Bank of Russia in accordance with this Article, the Bank of Russia shall have the right to revoke according to its prescribed procedure the permission for applying bank risk management methods and quantitative risk assessment models for calculating capital adequacy.

(Article 72¹ was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

Article 73. To fulfil its functions relating to banking regulation and banking supervision, the Bank of Russia shall conduct inspections of credit institutions (or their branches), give them instructions, which the credit institutions must obey, to eliminate violations discovered in their work and involving the breach of federal laws and Bank of Russia regulations issued in pursuance of these laws, and use sanctions against violators as stipulated by this Federal Law.

(Part one as amended by Federal Law No. 162-FZ, dated 27 June 2011)

Inspections may be conducted by the authorised representatives (employees) of the Bank of Russia in accordance with the procedure established by the Board of Directors or by audit firms (selected according to the procedure established by the Bank of Russia's regulation) on the instructions of the Board of Directors.

(Part two as amended by Federal Law No. 190-FZ, dated 18 July 2019)

The authorised representatives (employees) of the Bank of Russia shall have the right to receive and examine accounting reporting and other documents of credit institutions (or their branches) and, if necessary, make copies of the corresponding documents to attach them to inspection materials.

The procedure for conducting inspections of credit institutions (or their branches), including establishing the duties of credit institutions (or their branches) to assist inspections, shall be established by the Board of Directors.

In fulfilling its functions relating to banking regulation and banking supervision, the Bank of Russia shall not be entitled to conduct more than one inspection of a credit institution (or its branch) on the same subjects during the same accounting period of the activities of the credit institution (or its branch), except for those cases stipulated by this Article. An inspection shall cover only the five calendar years of the activities of a credit institution (or its branch) preceding the inspection year.

The Bank of Russia may conduct a repeat inspection of a credit institution (or its branch) on the same subjects and the same accounting

period of the activities of the credit institution (or its branch) on the following grounds:

if such an inspection is conducted in connection with the reorganisation or liquidation of the credit institution;

by the reasoned decision of the Board of Directors. The Board of Directors may take such a decision to supervise a Bank of Russia regional branch that has conducted an inspection or at the request of the corresponding Bank of Russia structural unit for the purpose of assessing a credit institution's financial standing and the quality of assets and liabilities. For these purposes, the request by the Bank of Russia structural unit should indicate the signs of financial instability in a credit institution, if these signs have created a material threat to the interests of the credit institution's creditors (depositors). These signs should be detected and evaluated according to the methodologies established by Bank of Russia rules and regulations. A repeat inspection conducted by the substantiated decision of the Board of Directors shall be conducted with the participation of representatives of the Bank of Russia head office.

(the Paragraph as amended by Federal Law No. 5-FZ, dated 10 January 2003)

The Paragraph is null and void in accordance with Federal Law No. 5-FZ, dated 10 January 2003.

The Bank of Russia shall be entitled to inspect the activity of credit institutions being part of banking groups and bank holding companies and located on the territories of foreign states. The central bank and (or) another supervisory authority of a foreign state with the functions of banking supervision may gain access to the premises of credit

institutions located on the territory of the Russian Federation as members of banking groups whose parent organisations are foreign banks, and access to information on their activity if the credit institutions being members of banking groups have given a written consent. The mentioned supervisory bodies shall inform the Bank of Russia about the results of such visits.

(Part seven was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

Bank of Russia authorised representatives (employees) shall be entitled to examine the subject of pledge taken by the credit institution as a security for a loan, with the exception of residential premises, a garage, a parking space owned by (granted to) an individual, passenger cars, motorcycles and scooters owned by an individual and not used for entrepreneurship purposes, and a land plot granted to an individual for individual housing construction, private subsidiary farming, gardening, stockbreeding or vegetable gardening, as well as buildings, constructions and structures situated on this plot of land, at the place of its storage (location), and to get acquainted with the activity of a legal entity or individual entrepreneur – the borrower of the examined credit institution and (or) a legal entity or individual entrepreneur – the pledger not being the borrower of this loan, during on-site visits in cases and according to the procedure established by the Bank of Russia.

(Part eight was introduced by Federal Law No. 362-FZ, dated 3 July 2016, as amended by Federal Laws No. 138-FZ, dated 6 June 2019, and No. 79-FZ, dated 5 April 2021 (effective from 1 September 2021))

The credit institution shall render assistance to the authorised representatives (employees) of the Bank of Russia in making examination of the subject of pledge taken by the credit institution as a security on loan, at the place of its storage (location), and in their getting

acquainted with the activity of legal entity or individual entrepreneur – the borrower of the examined credit institution and (or) legal entity or individual entrepreneur – the pledger, not being the borrower of this loan, directly on-site, including at the Bank of Russia request to ensure presence of the credit institutions’ representatives while examining the subject of pledge and getting acquainted with the activity of legal entity or individual entrepreneur – the borrower of the examined credit institution and (or) legal entity or individual entrepreneur – the pledger, not being the borrower of this loan.

(Part nine was introduced by Federal Law No. 362-FZ, dated 3 July 2016)

Information obtained in the course of examining the subject of pledge and getting acquainted with the activity of legal entity or individual entrepreneur – the borrower of the examined credit institution and (or) legal entity or individual entrepreneur – the pledger, not being the borrower of this loan, shall not be disclosed without the consent of the person, who has provided it, except for the cases stipulated by federal laws, and the provision of the aforementioned information to the credit institution. The Bank of Russia shall be held liable for the disclosure of the said information, including compensation for losses incurred, according to the procedure established by federal law.

(Part ten was introduced by Federal Law No. 362-FZ, dated 3 July 2016)

Article 73¹. The Bank of Russia shall be entitled to cooperate with credit institutions through information resources posted on the Bank of Russia official website by providing credit institutions with access to personal accounts which are maintained by the Bank of Russia according to the established procedure.

Credit institutions shall use personal accounts to receive documents from the Bank of Russia, including its requests, orders (instructions), and to submit to the Bank of Russia reporting forms, documents (information), data as well as to exercise their other rights and obligations established by federal laws and Bank of Russia regulations.

Reports, documents (information), and data in electronic form submitted to the Bank of Russia by credit institutions and signed by enhanced qualified digital signature through their personal accounts shall be recognised as equivalent to hard copy documents.

The procedure for interaction between the Bank of Russia and credit institutions when using their personal accounts shall be stipulated by the Bank of Russia normative act.

(Article 73¹ was introduced by Federal Law No. 153-FZ, dated 1 July 2017)

Article 73¹⁻¹. Should grounds exist for presuming that the credit institution's activity may inflict damage to its creditors and depositors or threaten their legitimate interests or should there be evidence that the credit institution violates the requirements of Russian Federation laws and Bank of Russia regulations and (or) the rights of its customers, the Bank of Russia while performing its supervisory functions shall be entitled to conduct control exercise (including off-site exercise using information and communications technology), in the course of which Bank of Russia authorised representatives (employees) compel the credit institution to make a transaction or create the conditions for the credit institution to make a transaction to verify the credit institution's

compliance with the requirements for its activity. The control exercise shall be conducted without a prior notice to the credit institution.

The control exercise (excluding off-site exercise using information and communications technology) shall be conducted in the presence of two witnesses or using video and audio recording equipment.

A decision to conduct control exercise shall be made by the Governor of the Bank of Russia or Deputy Governor of the Bank of Russia.

A statement of control exercise shall be compiled and signed by Bank of Russia authorised representatives (employees), who have conducted the exercise, and witnesses (should they be present). A copy of the statement of the control exercise shall be sent to the credit institution, in respect of which the control exercise was conducted, no later than 10 business days after its conduct in accordance with the procedure established by the Bank of Russia.

Should the credit institution's violations of the requirements of Russian Federation legislation and Bank of Russia regulations be revealed in the course of control exercise, the statement of the control exercise shall be compiled by Bank of Russia authorised representatives (employees), who have conducted the exercise, immediately upon its completion and information on the control exercise shall be immediately provided by them to the credit institution's representative. The said Bank of Russia authorised representatives (employees) shall produce their official IDs and the decision on control exercise to the credit institution's representative.

A copy of the statement of control exercise, in the course of which the credit institution's violations of the requirements of Russian Federation legislation and Bank of Russia regulations were revealed, shall be sent to the credit institution, in respect of which the control exercise was conducted, or handed over to its representative right after the statement is compiled.

Should the control exercise be conducted in the course of the Bank of Russia's inspection of the credit institution (its branch), a copy of the statement shall be included in the report on the inspection of the credit institution (its branch).

The procedure for the Bank of Russia to organise and conduct control exercise of credit institutions shall be established by Bank of Russia regulation approved by the Board of Directors.

(Article 73¹⁻¹ was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

Article 74. Should a credit institution violate federal laws or Bank of Russia normative acts or orders issued in pursuance thereof or fail to provide information or provide incomplete or false information, or fail to conduct a mandatory audit or disclose information on its activity and an auditor's opinion on it, the Bank of Russia shall have the right to require the credit institution to eliminate the violations discovered, charge a penalty of up to 0.1 per cent of the minimum amount of authorised capital (except for the case stipulated by Part two of this Article) or prohibit the credit institution from conducting some operations for up to six months, including operations with the parent credit institution of the banking group, the parent organisation of the

bank holding company, participants of the banking group, participants of the bank holding company or a person related to the credit institution (persons related to the credit institution).

(Part one as amended by Federal Law No. 74-FZ, dated 1 May 2019)

Should a credit institution violate the requirements set by Federal Law No. 115-FZ, dated 7 August 2001, ‘On Countering the Legalisation (Laundering) of Criminally Obtained Incomes and the Financing of Terrorism’ and (or) Bank of Russia normative acts issued in pursuance thereof, the Bank of Russia shall be entitled, in addition to the imposition of measures envisaged by Part one of this Article (except for the charging of a fine), to charge the credit institution a fine of up to 0.1 per cent of the own funds (capital) of the credit institution, but no less than 100 thousand rubles.

(Part two was introduced by Federal Law No. 74-FZ, dated 1 May 2019)

Should a credit institution fail to fulfil, within the prescribed period, the Bank of Russia’s order to eliminate violations discovered in its work or should these violations or banking operations or transactions conducted by the credit institution pose a real threat to the interests of its creditors (depositors), the Bank of Russia shall be entitled to:

1) charge the credit institution a fine of up to 1 per cent of its paid-up authorised capital but no more than 1 per cent of the minimum amount of authorised capital (except for the case stipulated by Part four hereof);

(Clause 1 as amended by Federal Law No. 74-FZ, dated 1 May 2019)

2) demand that the credit institution:

implement financial rehabilitation measures, including changing the structure of its assets;

replace the persons included in the list of positions given in Article 60 of this Federal Law or limit the amount of compensatory and (or) stimulating payments to the said persons for up to three years;

conduct restructuring of the credit institution;

3) impose a ban on the implementation of some banking operations by the credit institution under its banking licence for a period of up to one year, including operations with the parent credit institution of the banking group, the parent organisation of the bank holding company, participants of the banking group, participants of the bank holding company or a person related to the credit institution (persons related to the credit institution), and also prohibit it from opening branches for a period of up to one year;

4) appoint a provisional administration to manage the credit institution for a period of up to six months. The procedure for appointing a provisional administration and for its activities shall be established by federal laws and Bank of Russia normative acts issued in pursuance thereof;

5) ban the restructuring of the credit institution if it may create grounds for taking anti-bankruptcy measures stipulated by Paragraph 4¹ of Chapter IX of the Federal Law ‘On Insolvency (Bankruptcy)’;

(Clause 5 as amended by Federal Law No. 432-FZ, dated 22 December 2014)

6) demand that the founders (members) of the credit institution, who have the opportunity, acting on their own or by virtue of an agreement between them or participation in the capital of one another or some other means of direct or indirect collaboration, to influence decisions made by the management of the credit institution, take actions aimed at increasing

the own funds (capital) of the credit institution to a level that would ensure its compliance with required ratios, including by limiting the allocation of profit of the credit institution with regard to payments, which lead to a decrease of the own funds (capital) of the credit institution;

(Clause 6 as amended by Federal Law No. 432-FZ, dated 22 December 2014)

7) impose an upper bound on the interest rate, which the credit institution offers in bank deposit agreements concluded (extended) during the restriction period, but no less than two-thirds of the Bank of Russia's refinancing rate on bank deposits in rubles and no less than the LIBOR rate on bank deposits in foreign currency as of the date of imposing the restriction for a term of up to one year. For the purposes of this provision, along with interest payments, the interest rate calculation shall include any non-interest payments, which the credit institution makes in favour of depositors who are individuals, and also incomes in kind, which the credit institution transfers to depositors who are individuals.

Should the credit institution fail to comply, within the prescribed period, with Bank of Russia orders to eliminate the violations of Federal Law No. 115-FZ, dated 7 August 2001, 'On Countering the Legalisation (Laundering) of Criminally Obtained Incomes and the Financing of Terrorism' and (or) Bank of Russia normative acts issued in pursuance thereof, or should these violations have posed a real threat to the interests of its creditors (depositors), the Bank of Russia shall be entitled to take measures against the credit institution stipulated by Clauses 2-7 of Part three of this Article and (or) charge the credit institution a fine of up to

1 per cent of the own funds (capital) of the credit institution, but no less than 1 million rubles.

(Part four was introduced by Federal Law No. 74-FZ, dated 1 May 2019)

Should the credit institution commit recurrent violations, over one year, of the requirements stipulated by Article 6, Article 7 (except for Clause 3), Articles 7², 7³ and 7⁵ of Federal Law No. 115-FZ, dated 7 August 2001, ‘On Countering the Legalisation (Laundering) of Criminally Obtained Incomes and the Financing of Terrorism’, Article 141 of Federal Law 149-FZ, dated 27 July 2006, ‘On Information, Information Technology and Information Protection’, or should the credit institution commit recurrent violations, over one year, of the requirements stipulated by Bank of Russia normative acts issued in pursuance thereof, the Bank of Russia shall be entitled to impose a ban on the identification conducted by the credit institution in line with the procedure stipulated by Clause 5⁸ of Article 7 of Federal Law No. 115-FZ, dated 7 August 2001, ‘On Countering the Legalisation (Laundering) of Criminally Obtained Incomes and the Financing of Terrorism’ for a period of up to one year.

(Part five was introduced by Federal Law No. 479-FZ, dated 29 December 2020)

Should a parent credit institution of a banking group violate the requirements of federal laws in connection with its participation in the banking group or fail to provide information or provide incomplete or false information, or fail to conduct a mandatory audit or disclose consolidated statements and an auditor’s opinion on them, the Bank of Russia shall be entitled to take measures against the parent credit institution of the banking group, stipulated by Part one of this Article. Should the required ratios established by the Bank of Russia for banking

groups in pursuance of this Federal Law be violated, the Bank of Russia shall be entitled to take measures against the parent credit institution of the banking group, stipulated by Part one of this Article.

Should a parent credit institution of a banking group fail to fulfil the Bank of Russia's order to eliminate the violations connected with its participation in the banking group or should these violations pose a threat to the legitimate interests of creditors (depositors) of the said credit institution or credit institutions that are members of the banking group, the Bank of Russia shall be entitled to:

1) charge the parent credit institution of the banking group a fine of up to 1 per cent of its paid-up authorised capital but no more than 1 per cent of the minimum amount of authorised capital;

2) impose a ban stipulated by Clause 3 of Part three of this Article.

(Clause 2 as amended by Federal Law No. 74-FZ, dated 1 May 2019)

To fulfil Bank of Russia requirements for the observance of required ratios for banking groups, a parent credit institution of a banking group shall independently make decisions relating to the banking group's activities and assets.

Should a shareholder (stakeholder) of a credit institution violate the procedure for disclosing information on the persons controlling or materially influencing the credit institution, in compliance with Federal Law No. 177-FZ, dated 23 December 2003, 'On the Insurance of Deposits with Russian Banks', and (or) fail to fulfil upon the emergence of the grounds for implementing measures for preventing the bankruptcy of the credit institution the duties assigned to the shareholder (stakeholder) by normative legal acts, and (or) perform a transaction

(transactions) with the credit institution, which caused the credit institution to violate the required ratios, and (or) the actions of the shareholder (stakeholder) of the credit institution resulted in violation by the credit institution (the parent credit institution of the banking group, the credit institution that is a participant of the banking group) of the requirements of the Federal Law ‘On Banks and Banking Activities’ on the compliance with the capital charges on the own funds (capital) adequacy ratios established by the Bank of Russia and (or) the method for calculating them and the procedure for compliance with them and the recovery of the amount of own funds (capital), the Bank of Russia shall no later than 30 calendar days from the day of discovering the violation send such a shareholder (stakeholder) an order to eliminate the violation discovered and (or) an order to implement measures eliminating the violation committed by the credit institution (hereinafter, the order to implement measures), if no more than one year has passed since the violation was committed. The copies of such orders shall be sent to the credit institution.

(Part eight as amended by Federal Laws No. 432-FZ, dated 22 December 2014; and No. 322-FZ, dated 3 August 2018)

The order of the Bank of Russia to eliminate the violation and (or) the order to implement measures shall be subject to the fulfilment by a shareholder (stakeholder) of a credit institution within a period of no more than 45 calendar days from the day of receiving such an act. Should a shareholder (stakeholder) of a credit institution fail to fulfil the order of the Bank of Russia to eliminate the violation and (or) the order to implement measures, the voting right of the shareholder (stakeholder) of the credit institution at a general meeting of shareholders (stakeholders)

of the credit institution shall be suspended from the day following the aforementioned 45-day period to the day on which the corresponding order is fulfilled or cancelled. The suspension of the voting right of a shareholder (stakeholder) of a credit institution at a general meeting of shareholders (stakeholders) of the credit institution shall mean that the shares (stakes) of such a shareholder (stakeholder) of the credit institution shall not be voting stock and shall not be taken into account when the quorum of a general meeting of shareholders (stakeholders) of the credit institution is determined.

The Bank of Russia shall be entitled to appeal in court the decisions of a general meeting of shareholders (stakeholder) of a credit institution and the transactions performed in fulfilment of these decisions, if a shareholder (stakeholder) of the credit institution participated in voting when the order indicated in Part nine of this Article was in effect and such equity stakes influenced the decisions of the general meeting of shareholders (stakeholders) of the credit institution.

(Part ten as amended by Federal Law No. 74-FZ, dated 1 May 2019)

The order of the Bank of Russia to eliminate the violation and (or) the order to implement measures shall be cancelled by the Bank of Russia, if a shareholder (stakeholder) of a credit institution eliminates the violation discovered by the Bank of Russia. A Bank of Russia act on cancelling the Bank of Russia's order to eliminate the violation and (or) the order to implement measures shall be sent to the shareholder (stakeholder) of the credit institution and to the credit institution in accordance with the procedure established by a Bank of Russia normative act.

The procedure for applying measures stipulated by this Article shall be established by Bank of Russia normative acts.

The Bank of Russia shall be entitled to revoke the banking licence of a credit institution on the grounds established by the Federal Law ‘On Banks and Banking Activities’. The procedure for revoking a banking licence shall be established by Bank of Russia normative acts.

The Bank of Russia may not take measures stipulated in Parts one - six of this Article against a credit institution, if five years have passed since the violation was committed. The Bank of Russia may not use measures stipulated in this Article for failure by a credit institution (its branch) to comply with Bank of Russia documents (acts) other than Bank of Russia normative acts or orders.

(Part fourteen as amended by Federal Law No. 74-FZ, dated 1 May 2019)

The Bank of Russia may appeal to court to recover a fine from a credit institution or apply some other sanctions against it, stipulated by federal laws, no later than six months after an act was compiled on the identification of violations listed in Parts one - six of this Article.

(Part fifteen as amended by Federal Law No. 74-FZ, dated 1 May 2019)

Should the Bank of Russia introduce a ban against a credit institution on attracting household funds on deposits and (or) on opening and maintaining household bank accounts, as set forth in this Article, information about such ban shall be posted on the Bank of Russia website on the day the ban is imposed. The said information shall be removed from the Bank of Russia website no later than the next business day following the end-day of the ban imposed by the Bank of Russia’s order; and in case of the banking licence revocation, this information

shall be removed on the day when the information on the banking licence revocation is posted on the Bank of Russia website.

(Part sixteen was introduced by Federal Law No. 91-FZ, dated 1 April 2020)

(Article 74 as amended by Federal Law No. 146-FZ, dated 2 July 2013)

Article 74¹. The Bank of Russia shall be entitled to restrict the conclusion by a credit institution, acting on its own behalf or on the instruction and (or) on behalf of other organisations, agreements with individuals on the provision of financial services, transactions with securities and (or) agreements that are derivative financial instruments, if individuals that were parties to such agreements/transactions received repeatedly during one calendar year incomplete and (or) inaccurate information about agreements / transactions and risks resulting from the execution of agreements / transactions, or if individuals that are not qualified investors, as determined by Article 51² of Federal Law No. 39-FZ, dated 22 April 1996, ‘On the Securities Market’, repeatedly during one calendar year became parties to agreements / transactions mentioned in this Part, that were intended only for qualified investors, or if such agreements / transactions were concluded without testing or if the testing was carried out with violations of established requirements, provided that respective agreements / transactions could be concluded only based on the results of testing.

The restriction stipulated by Part one of this Article may be established in relation to agreements / transactions concluded by a credit institution with individuals who are not qualified investors as determined by Article 51² of Federal Law No. 39-FZ, dated 22 April 1996, ‘On the Securities Market’.

In cases where the repeated provision to individuals who are not qualified investors as determined by Article 512 of Federal Law No. 39-FZ, dated 22 April 1996, ‘On the Securities Market’, incomplete and inaccurate information about agreements / transactions specified in Part one of this Article and risks resulting from the execution of agreements / transactions create a significant threat to the rights and legitimate interests of individuals who became parties to the agreements / transactions of the corresponding type, or in other cases stipulated by federal laws, the Bank of Russia shall be entitled to oblige the credit institution to forward to the specified individuals an irrevocable offer to acquire from them at own expense everything transferred under such agreements / transactions about which individuals received incomplete and (or) inaccurate information at the moment of their conclusion, or to assign their rights under such agreements / transactions, or to terminate such agreements / transactions, or to oblige both parties to return everything received thereunder.

The obligation stipulated by Part three of this Article may be imposed on a credit institution only with regard to individuals who are not qualified investors as determined by Article 512 of Federal Law No. 39-FZ, dated 22 April 1996, ‘On the Securities Market’.

The procedure for applying measures stipulated by this Article shall be established by a Bank of Russia normative act.

(Article 74¹ was introduced by Federal Law No. 192-FZ, dated 11 June 2021).

Article 75. The Bank of Russia shall analyse the activities of credit institutions (banking groups and bank holding companies) to detect

situations endangering the legitimate interests of their depositors and creditors and stability of the Russian banking system.

(Part one as amended by Federal Law No. 146-FZ, dated 2 July 2013)

Should such a situation arise, the Bank of Russia shall be entitled to take measures stipulated by Article 74 of this Federal Law and implement in compliance with federal laws measures to financially rehabilitate credit institutions.

(Part two as amended by Federal Law No. 84-FZ, dated 1 May 2017)

To prevent situations indicated in this Article, the Bank of Russia shall keep a database on persons holding positions listed in Article 60 of this Federal Law (candidates for these positions), other employees of credit institutions and other persons whose activity contributed to damaging the financial position of a credit institution or violations of Russian Federation legislation and Bank of Russia regulations. The procedure for maintaining the database shall be established by the Bank of Russia. The Bank of Russia shall be entitled to request information from federal executive authorities and their regional branches and legal entities to maintain the database.

(Part three was introduced by Federal Law No. 146-FZ, dated 2 July 2013)

A person shall be entitled to file a request to the Bank of Russia for the information about his/her personal data (if any) available in the said database. The request form, the list of documents and data to be attached and the filing procedure shall be established by the Bank of Russia. The Bank of Russia shall consider the request within seven days after its receipt and send a reply containing the requested information in accordance with the established procedure.

(Part four was introduced by Federal Law No. 281-FZ, dated 29 July 2017)

When implementing measures in compliance with the Federal Law ‘On Insolvency (Bankruptcy)’ to prevent the bankruptcy of credit institutions and guided by the decision of the Board of Directors, the Bank of Russia shall be entitled to do the following using the monetary assets of the Fund of Banking Sector Consolidation set up in line with Article 76¹² hereof:

1) to acquire shares (stakes in the authorised capital) of credit institutions subjected to bankruptcy prevention measures, including at prices exceeding their nominal value;

2) to issue to credit institutions subjected to bankruptcy prevention measures and also investors specified in Sub-clause 1 of Clause 8 of Article 189⁴⁹ of the Federal Law ‘On Insolvency (Bankruptcy)’, which are banks, subordinated loans (deposits, loans, and bonded loans) complying with the requirements established by Article 25¹ of the Federal Law ‘On Banks and Banking Activities’. The Bank of Russia may transfer claims on subordinated credits (deposits, loans, bonded loans) to the Management Company for trust management;

(Clause 2 as amended by Federal Law No. 53-FZ, dated 7 March 2018)

3) to issue loans, place deposits and issue bank guarantees to credit institutions subjected to bankruptcy prevention measures. The Bank of Russia may transfer claims on credits (deposits, bank guarantees) to the Management Company for trust management;

4) to sell the acquired shares (stakes in the authorised capital) of credit institutions subjected to bankruptcy prevention measures,

including at prices below the acquisition price paid by the Bank of Russia;

5) to acquire and alienate the purchased property (property rights) of credit institutions subjected to bankruptcy prevention measures, and also claims to credit institutions subjected to bankruptcy prevention measures;

6) to issue a loan to the Management Company to finance the settlement of a bank's liabilities if the Bank of Russia invites the Management Company to participate in the implementation of measures stipulated by the Bank of Russia's action plan to settle the bank's liabilities;

7) to transfer to the Management Company for trust management, and to set up a unit investment fund, among other things, acquired by the Bank of Russia shares (stakes in the authorised capital), property (property rights) of credit institutions subjected to bankruptcy-prevention measures, claims to credit institutions subjected to bankruptcy-prevention measures, and (or) claims to credit institutions investing in the latter, and also monetary funds. Property-related trust management agreements concluded by the Bank of Russia in compliance with this Clause, and also trust management agreement with regard to the unit investment fund, shall not be covered by the requirements on the maximum validity terms of property-related trust management agreements.

(Part five was introduced by Federal Law No. 84-FZ, dated 1 May 2017)

Guided by the decision of the Board of Directors, the Bank of Russia shall be entitled to sell the acquired shares (stakes in the authorised

capital) of credit institutions subjected to bankruptcy prevention measures, including at prices below the acquisition price paid by the Bank of Russia.

(Part six was introduced by Federal Law No. 469-FZ, dated 27 December 2019)

The Bank of Russia shall be entitled to execute other rights stipulated by the Federal Law ‘On Insolvency (Bankruptcy)’.

(Part seven was introduced by Federal Law No. 84-FZ, dated 1 May 2017)

Article 75¹. Should grounds exist for presuming the existence of offences in the activity of the credit institution’s executives stipulated by Article 172¹ of the Criminal Code of the Russian Federation, the Bank of Russia shall send the relevant statements and materials within 10 business days after these circumstances are revealed to the investigative bodies authorised to carry out a preliminary investigation in criminal proceedings on crimes envisaged by Article 172¹ of the Criminal Code of the Russian Federation to decide on the issue of instituting criminal case proceedings.

(Article 75¹ as amended by Federal Law No. 263-FZ, dated 29 July 2018)

Article 76. The Bank of Russia shall be entitled to appoint its authorised representatives to a credit institution in the cases where:

1) a credit institution has obtained a foreign currency credit (loan) from the State Development Corporation VEB.RF (hereinafter, VEB.RF) in accordance with Article 1 of Federal Law No. 173-FZ, dated 13 October 2008, ‘On Additional Measures to Support the Financial System of the Russian Federation’ (hereinafter, the Federal Law ‘On

Additional Measures to Support the Financial System of the Russian Federation’);

(Clause 1 as amended by Federal Law No. 452-FZ, dated 28 November 2018)

2) a credit institution has obtained a subordinated credit (loan) from the Bank of Russia in accordance with Article 5 of the Federal Law ‘On Additional Measures to Support the Financial System of the Russian Federation’;

3) a credit institution has obtained a subordinated credit (loan) from VEB.RF in accordance with Article 6 of the Federal Law ‘On Additional Measures to Support the Financial System of the Russian Federation’;

(Clause 3 as amended by Federal Law No. 452-FZ, dated 28 November 2018)

4) federal budget funds have been deposited with a credit institution in accordance with Article 236 of the Budget Code of the Russian Federation;

5) a credit institution has obtained a loan from the Bank of Russia in accordance with Clause 1¹ of Article 46 of this Federal Law for a term longer than one month;

6) the Bank of Russia and the state corporation Deposit Insurance Agency have taken measures in relation to a credit institution to prevent the bankruptcy of banks that are members of the system of mandatory insurance of deposits with Russian banks, in accordance with Paragraph 4¹ of Chapter IX of the Federal Law ‘On Insolvency (Bankruptcy)’;

(Clause 6 as amended by Federal Laws No. 432-FZ, dated 22 December 2014; and No. 322-FZ, dated 3 August 2018)

7) the assets of a credit institution total 50 and more billion rubles and (or) the funds attracted from individuals under bank deposit and bank account agreements total 10 and more billion rubles.

Authorised representatives of the Bank of Russia may be appointed to a credit institution in the cases stipulated by Clauses 1-6 of Part one of this Article from the day the credit institution receives funds (part of funds) of a corresponding credit (loan) or deposit, or from the day measures have been taken in relation to a credit institution to prevent the bankruptcy of banks that are members of the system of mandatory insurance of deposits with Russian banks, in accordance with Paragraph 4¹ of Chapter IX of the Federal Law ‘On Insolvency (Bankruptcy)’, and may carry out their activities until the day the credit institution fully honours its obligations arising out of the receipt of the corresponding credit (loan) or deposit, or until the day the said bankruptcy prevention measures are completed in relation to the credit institution.

(Part two as amended by Federal Laws No. 432-FZ, dated 22 December 2014; and No. 322-FZ, dated 3 August 2018)

An authorised representative of the Bank of Russia may receive information from a credit institution on the amount of remuneration paid by the credit institution to the sole and collegiate executive bodies.

As part of his/her remit, an authorised representative of the Bank of Russia shall be entitled to:

- 1) participate, without voting rights, in sessions of a credit institution’s management bodies, and also in sessions of the credit institution’s bodies responsible for making decisions on the issues of crediting and the management of the credit institution’s assets and liabilities;

- 2) receive from a credit institution information and documents relating to the credit institution’s lending operations and operations to issue guarantees, manage assets and liabilities (claims and obligations).

The Bank of Russia shall be the body of regulation, control and supervision in the financial markets over non-bank financial institutions and (or) in the area of their activities in accordance with federal laws.

The objectives of regulation, control and supervision over non-bank financial institutions shall be to maintain stable development of the financial market of the Russian Federation and effectively manage risks emerging in the financial markets, including prompt measures to detect and counter crisis situations, protect the rights and legitimate interests of investors in the financial markets, insurance policyholders, insured persons and beneficiaries acknowledged as such in accordance with

insurance legislation, and also insured persons under compulsory pension insurance, non-governmental pension fund depositors and participants under non-governmental pension provision schemes and other financial consumers (except for the consumers of bank services). The Bank of Russia shall not interfere in the day-to-day activities of non-bank financial institutions, except for those cases stipulated by federal laws.

Article 76². The Bank of Russia shall be the body exercising regulation, control and supervision over the observance by the issuers of the requirements of Russian Federation legislation on joint-stock companies and securities, and also regulation, control and supervision in the area of corporate relations in joint-stock companies for the purpose of protecting the rights and legitimate interests of shareholders and investors. The Bank of Russia shall not exercise control and supervision over the observance by international companies of the provisions of foreign law and rules of foreign exchanges.

(Part one as amended by Federal Law No. 485-FZ, dated 25 December 2018)

The Bank of Russia shall be entitled to conduct inspections of issuers and participants in corporate relations, send instructions binding for them for eliminating the violations of Russian Federation legislation on joint-stock companies and securities discovered in their work, and shall also apply other measures stipulated by federal laws.

The procedure for conducting inspections and the procedure for applying other measures shall be established by Bank of Russia normative acts.

Article 76³. The regulatory, controlling and supervisory functions of the Bank of Russia pertaining to financial markets, established by this Federal Law and other federal laws, shall be implemented through the Financial Supervision Committee, a permanent body uniting the heads of Bank of Russia units responsible for supervision. The Financial Supervision Committee shall make decisions on the main issues of financial market regulation, control and supervision.

The Regulation on the Financial Supervision Committee and its structure shall be approved by the Board of Directors. The head of the Financial Supervision Committee shall be appointed by the Bank of Russia Governor from among the members of the Board of Directors.

Article 76⁴. The Bank of Russia shall establish requirements for the own funds (capital) or net assets of non-bank financial institutions, compulsory (financial and economic) standards, and also other requirements in compliance with federal laws regulating the activities of the respective organisations.

Article 76⁴⁻¹. The Bank of Russia as agreed with the federal executive authority responsible for ensuring security and the federal executive authority responsible for countering technical intelligence and for technical information security shall set mandatory requirements for

non-bank financial institutions to ensure information security in operations in the financial markets stipulated by Part 1 of Article 76¹ of this Federal Law for the purpose of countering illegal financial transactions, except for information security requirements established by federal laws and the related regulations.

(Article 76⁴⁻¹ was introduced by Federal Law No. 167-FZ, dated 27 June 2018)

In accordance with Federal Law No. 514-FZ, dated 30 December 2020, effective from 11 January 2022, this Federal Law will be supplemented with Article 76⁴⁻² as follows:

‘Article 76⁴⁻². The Bank of Russia shall set mandatory requirements for credit institutions to ensure operational reliability when performing activities stipulated by Part one of Article 761 of this Federal Law for the purpose of financial services continuity (excluding banking services).’

Article 76⁵. The Bank of Russia shall conduct inspections of non-bank financial institutions, send instructions binding for them and apply with regard to non-bank financial institutions other measures stipulated by federal laws.

The procedure for conducting inspections, including specifying the duties of inspected persons for assistance in conducting inspections, and the procedure for applying other measures shall be established by Bank of Russia normative acts.

Inspections may be conducted by Bank of Russia authorised representatives (employees), audit companies and actuaries (selected according to the procedure established by Bank of Russia regulation) on the instruction of the Bank of Russia, and self-regulatory organisations on the instruction of the Financial Supervision Committee.

(Part three as amended by Federal Laws No. 410-FZ, dated 28 December 2013; and No. 190-FZ, dated 18 July 2019)

Should grounds exist for presuming that the activity of the non-bank financial institution may inflict damage to its creditors and customers or threaten their legitimate interests or should there be evidence that the non-bank financial institution violates the requirements of Russian Federation legislation and Bank of Russia regulations and (or) the rights of its customers, the Bank of Russia while exercising supervision and control over the financial markets shall be entitled to conduct control exercise (including off-site exercise using information and communications technology), in the course of which Bank of Russia authorised representatives (employees) compel the non-bank financial institution to make a transaction or create the conditions for the non-bank financial institution to make a transaction to verify the non-bank financial institution's compliance with the requirements for its activity. The control exercise shall be conducted without a prior notice to the non-bank financial institution.

(Part four was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

The control exercise (excluding off-site exercise using information and communications technology) shall be conducted in the presence of two witnesses or using video and audio recording equipment.

(Part five was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

A decision to conduct control exercise shall be made by the Governor of the Bank of Russia or Deputy Governor of the Bank of Russia.

(Part six was introduced by Federal Law No. 263-FZ, 29 July 2018)

A statement of control exercise shall be compiled and signed by Bank of Russia authorised representatives (employees), who have conducted the exercise, and witnesses (should they be present). A copy

of the statement shall be sent to the non-bank financial institution, in respect of which the control exercise was conducted, no later than 10 business days after its conduct in accordance with the procedure established by the Bank of Russia.

(Part seven was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

Should the non-bank financial institution's violations of the requirements of Russian Federation legislation and Bank of Russia regulations be revealed in the course of control exercise, the statement shall be compiled by Bank of Russia authorised representatives (employees), who have conducted the exercise, immediately upon its completion and information on the control exercise shall be immediately provided by them to the non-bank financial institution's representative. The said Bank of Russia authorised representatives (employees) shall produce their official IDs and the decision on control exercise to the non-bank financial institution's representative. A copy of the statement of control exercise, in the course of which the non-bank financial institution's violations of the requirements of Russian Federation legislation and Bank of Russia regulations were revealed, shall be sent to the non-bank financial institution, in respect of which the control exercise was conducted, or handed over to its representative right after the statement is compiled.

(Part eight was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

Should the control exercise be conducted in the course of the Bank of Russia's inspection of the non-bank financial institution, a copy of the statement shall be included in the report on the inspection of the non-bank financial institution.

(Part nine was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

The procedure for the Bank of Russia to organise and conduct control exercise of non-bank financial institutions shall be established by Bank of Russia regulation approved by the Board of Directors.

(Part ten was introduced by Federal Law No. 263-FZ, dated 29 July 2018)

Article 76⁵⁻¹. When implementing measures in compliance with the Federal Law ‘On Insolvency (Bankruptcy)’ to prevent the bankruptcy of insurance companies and guided by the decision of the Board of Directors, the Bank of Russia shall be entitled to do the following using the monetary assets of the Fund of Insurance Sector Consolidation set up in line with Article 76¹² of this Federal Law:

A person shall have the right to file a request to the Bank of Russia for information about his/her personal data (if any) available in the said databases. The request form, the list of documents and data to be attached, as well as the filing procedure shall be established by the Bank of Russia. The Bank of Russia shall consider the request within seven days after its receipt and send a reply containing the requested information in accordance with the established procedure.

(Part 3 was introduced by Federal Law No. 281-FZ, dated 29 July 2017)

Article 76⁷⁻¹. To fulfil its control and supervision functions, the Bank of Russia, in the manner established by it, shall maintain a list of persons controlling an insurance company in respect of all insurance companies and a list of persons controlling a non-governmental pension fund in respect of all non-governmental pension funds. The list of persons controlling the insurance company includes persons controlling the insurance company information about which the insurance company sent to the Bank of Russia in accordance with Article 30¹ of Russian Federation Law No. 4015-1, dated 27 November 1992, ‘On the Organisation of Insurance Business in the Russian Federation’, as well

as persons recognised by the Bank of Russia as persons controlling the insurance company in accordance with this Article. The list of persons controlling the non-governmental pension fund includes persons controlling the non-governmental pension fund information about which the non-governmental pension fund sent to the Bank of Russia in accordance with Article 6²⁻¹ of Federal Law No. 75-FZ, dated 7 May 1998, ‘On Non-governmental Pension Funds’, as well as persons recognised by the Bank of Russia as persons controlling the non-governmental pension fund in accordance with this Article.

The Bank of Russia shall publish information on the inclusion of a person in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund on the Bank of Russia website no later than three business days following the day the Bank of Russia receives information about the said person – with regard to persons information about which the insurance company sent to the Bank of Russia in accordance with Article 301 of Russian Federation Law No. 4015-1, dated 27 November 1992, ‘On the Organisation of Insurance Business in the Russian Federation’ or the non-governmental pension fund sent to the Bank of Russia in accordance with Article 6²⁻¹ of Federal Law No. 75-FZ, dated 7 May 1998, ‘On Non-governmental Pension Funds’, and no later than 30 calendar days following the day the Bank of Russia recognises a person as the person controlling the insurance company or the non-governmental pension fund – with regard to persons recognised by the Bank of Russia as persons controlling the insurance company or the non-governmental pension fund in accordance with this Article. In cases determined by the Government of the Russian

Federation, the Bank of Russia shall be entitled not to publish on its official website information on the inclusion of a person in the list of persons controlling the insurance company or the non-governmental pension fund, taking into account the list of information that is determined by the Government of the Russian Federation and that insurance companies and non-governmental pension funds are entitled not to disclose.

If there exist circumstances indicating that a person meets the criteria of a person controlling the insurance company as set forth by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law ‘On Insolvency (Bankruptcy)’ or the criteria of a person controlling the non-governmental pension fund as set forth by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law ‘On Insolvency (Bankruptcy)’, the Bank of Russia shall be entitled to recognise such person as a person controlling the insurance company or the non-governmental pension fund. The decision to recognise a person as a person controlling the insurance company or the non-governmental pension fund shall be made by the Financial Supervision Committee and embody a rationale behind this decision including the circumstances that gave rise to this decision.

No later than the business day following the day the Bank of Russia recognises a person as the person controlling the insurance company or the non-governmental pension fund, the Bank of Russia shall notify of this decision the insurance company or the non-governmental pension fund, whose controlling person the said person was, for the subsequent notification of this person by the insurance company or the non-governmental pension fund.

A person the Bank of Russia included in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund shall be excluded by the Bank of Russia from the respective list upon the expiry of three years of the day the said person ceased to meet the criteria of a person controlling the insurance company as established by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law ‘On Insolvency (Bankruptcy)’ or the criteria of a person controlling the non-governmental pension fund as established by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law ‘On Insolvency (Bankruptcy)’. A person included by the Bank of Russia in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund shall be entitled to notify the Bank of Russia that it has ceased to meet the criteria of the person controlling the insurance company as established by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law ‘On Insolvency (Bankruptcy)’ or the criteria of the person controlling the non-governmental pension fund as established by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law ‘On Insolvency (Bankruptcy)’, providing the relevant rationale.

No later than the business day following the day a person included by the Bank of Russia in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund was recognised as a person not meeting the criteria of a person controlling the insurance company as established by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law ‘On Insolvency (Bankruptcy)’ or the criteria of a person controlling the non-

governmental pension fund as established by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law ‘On Insolvency (Bankruptcy)’, the Bank of Russia shall notify of this the insurance company or the non-governmental pension fund, whose controlling person the said person was, for the subsequent notification of this person by the insurance company or the non-governmental pension fund.

No later than three business days following the day a person included by the Bank of Russia in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund was recognised as a person not meeting the criteria of a person controlling the insurance company as established by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law ‘On Insolvency (Bankruptcy)’ or the criteria of a person controlling the non-governmental pension fund as established by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law ‘On Insolvency (Bankruptcy)’, the Bank of Russia shall post this information on its website. In cases determined by the Government of the Russian Federation, the Bank of Russia shall have the right not to post on its official website information that a person included by it in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund has ceased to meet the criteria of a person controlling the insurance company as set forth by Article 61¹⁰ and Clause 1 of Article 184¹³ of the Federal Law ‘On Insolvency (Bankruptcy)’ or the criteria of a person controlling the non-governmental pension fund as set forth by Article 61¹⁰ and Clause 1 of Article 187¹² of the Federal Law ‘On Insolvency (Bankruptcy)’, taking into account the list of information determined by

the Government of the Russian Federation that insurance companies and non-governmental pension funds are entitled not to disclose.

No later than the business day following the day the Bank of Russia excludes a person from the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund, the Bank of Russia shall notify of this the insurance company or the non-governmental, whose controlling person the said person was, for the subsequent notification of this person by the insurance company or the non-governmental pension fund.

A person included by the Bank of Russia in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund shall have the right to appeal against inclusion in the respective list to a committee handling such appeals in accordance with Article 60² of this Federal Law.

A person included by the Bank of Russia in the list of persons controlling the insurance company or the list of persons controlling the non-governmental pension fund shall have the right to challenge inclusion in this list in court if the mandatory pre-trial appeal procedure stipulated by Part 9 of this Article is observed.

A person shall have the right to submit to the Bank of Russia a request for information on his/her records (if any) in the lists of persons controlling insurance companies or in the lists of persons controlling non-governmental pension funds. The request form, the list of documents and information attached thereto, and the procedure for their submission shall be established by the Bank of Russia. The Bank of Russia shall consider this request within seven business days of its receipt and send a

response with requested information in line with the procedure established by it.

The Bank of Russia shall provide information on persons included in the lists of persons controlling insurance companies or in the lists of persons controlling non-governmental pension funds to the federal executive body in charge of countering the legalisation (laundering) of criminally obtained incomes, the financing of terrorism, and the financing of proliferation of weapons of mass destruction in line with the procedure, and within timeframes, established by the Bank of Russia in agreement with the said federal executive body.

(Article 76⁷⁻¹ was introduced by Federal Law No. 23-FZ, dated 24 February 2021)

Article 76⁸. Should grounds exist for presuming the existence of offences in the activity of the non-bank financial institution's executives stipulated by Article 172¹ of the Criminal Code of the Russian Federation, the Bank of Russia shall send the relevant statements and materials within 10 business days after these circumstances are revealed to the investigative bodies authorised to carry out a preliminary investigation in criminal proceedings on crimes envisaged by Article 172¹ of the Criminal Code of the Russian Federation to decide on the issue of instituting criminal case proceedings.

Article 76⁹⁻². In cases established by federal laws an acquisition and (or) receipt to trust management (hereinafter in this Article, the acquisition) by an individual or a legal entity of shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) the establishment of a direct or indirect (through third parties) control over shareholders (stakeholders) of a non-bank financial institution holding more than 10 per cent of shares (stakes) of the non-bank financial institution as a result of one or more transactions (hereinafter in this Article, the establishment of control over a shareholder (stakeholders) of a non-bank financial institution) shall require a prior consent of the Bank of Russia. The requirements set forth in this Article shall also apply to the acquisition of shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) the establishment of control over shareholders (stakeholders) of a non-bank financial institution by a group of persons.

No later than 30 days after the receipt of an application for the Bank of Russia's prior consent for a transaction (transactions) aimed to acquire

shares (stakes) of a non-bank financial institution by a legal entity or an individual in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a non-bank financial institution, and all the necessary documents, the Bank of Russia shall notify the applicant in writing of its decision to consent to the transaction (transactions) or refuse consent. Should the Bank of Russia fail to communicate its decision within the said period, the respective transaction (transactions) shall be deemed to be approved.

In the cases established by federal laws regulating the operations of non-bank financial institutions, a transaction (transactions) to acquire shares (stakes) of a non-bank financial institution by a legal entity or an individual in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a non-bank financial institution shall be subject to subsequent approval by the Bank of Russia.

The procedure for obtaining the Bank of Russia's prior consent and subsequent approval for a transaction (transactions) to acquire shares (stakes) of a non-bank financial institution by a legal entity or an individual in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a non-bank financial institution, shall be established by federal laws regulating the operations of non-bank financial institutions.

The Bank of Russia shall refuse its prior consent or subsequent approval for a transaction (transactions) stipulated in this Article in the following cases:

1) the revelation of an unsatisfactory financial position of the person acquiring shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) establishing control over a shareholder (stakeholder) of a non-bank financial institution (if federal laws regulating the operations of non-bank financial institutions establish requirements for the financial position for such person);

2) the recognition of the person acquiring shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) establishing control over a shareholder (stakeholder) of a non-bank financial institution as non-compliant with business reputation requirements (if federal laws regulating the operations of non-bank financial institutions establish requirements for business reputation of such person);

3) other grounds provided for by federal laws and Bank of Russia regulations adopted in pursuance thereof.

Non-compliance of a person acquiring shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, or a person establishing control over a shareholder of a non-bank financial institution with business reputation requirements shall be

determined in accordance with federal laws regulating the operations of non-bank financial institutions.

The requirements for the financial position and the procedure for assessing the financial position of a person conducting a transaction (transactions) to acquire shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) a transaction (transactions) to establish control over a shareholder of a non-bank financial institution, the list of documents needed for such assessment and the grounds for recognising the financial position of the said persons as unsatisfactory shall be established by a Bank of Russia regulation.

As part of its supervision function the Bank of Russian shall be entitled to request and receive information in accordance with the established procedure about the financial position and business reputation of persons specified in federal laws regulating the operations of non-bank financial institutions.

The Bank of Russia's decision to refuse its prior consent or subsequent approval for the said transaction (transactions) may be appealed in accordance with the procedure established by legislation of the Russian Federation.

Should the Bank of Russia reveal violations of the requirements of federal laws regulating the operations of non-bank financial institutions and Bank of Russia regulations adopted in pursuance thereof for obtaining the Bank of Russia's prior consent and subsequent approval for a transaction (transactions) to acquire shares (stakes) of a non-bank

financial institution by a legal entity or an individual in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions, and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a non-bank financial institution, the Bank of Russia shall, in accordance with the established procedure, compile an instruction ordering the said persons to eliminate such violation, send it to the said person and post an information notice on issuing the instruction on the Bank of Russia website no later than the day of its sending. A copy of the said instruction shall be sent to the persons the list of which is determined by a Bank of Russia regulation. A non-bank financial institution shall no later than the day following the receipt of the instruction copy communicate to its shareholders (stakeholders) the information about the receipt of the said instruction copy in accordance with the procedure established by a Bank of Russia regulation.

A notice of fulfilment of the Bank of Russia's instruction to eliminate the violation shall be submitted by the person indicated therein to the non-bank financial institution and the Bank of Russia no later than five days after its fulfilment. Documents confirming the elimination of the violation shall be attached to the notice of fulfilment of such instruction.

The Bank of Russia shall cancel the instruction if all the requirements are met. A Bank of Russia order to cancel the instruction shall be sent to the persons who have received the instruction. Copies of the order on cancelling the instruction shall be sent to the persons who have received copies of the instruction. The form of and the procedure

for sending the instruction and the order cancelling the instruction shall be established by a Bank of Russia regulation. The information about the cancellation of the instruction shall be posted on the Bank of Russia website no later than the day when the order cancelling the instruction is sent in accordance with the procedure established by the Bank of Russia. The non-bank financial institution shall no later than the day following the receipt of the copy of the order on cancelling the instruction communicate to its shareholders (stakeholders) the information about the receipt of the said copy of the order on cancelling the instruction in accordance with the procedure established by a Bank of Russia regulation.

Starting from the day of publication on the Bank of Russia website of the information about the instruction sent by the Bank of Russia in accordance with Part ten of this Article and till the day of publication of the information about its cancellation, the person specified in Part ten shall be entitled to vote only by shares (stakes) of a non-bank financial institution which do not exceed the values established by federal laws regulating the operations of non-bank financial institutions. Shares (stakes) in the quantity that exceeds the said value shall have no voting authority and shall not be taken into account when determining the quorum of the general meeting of shareholders (stakeholders) of a non-bank financial institution. The limitation established by this Part shall not apply to the cases when the minutes of the general meeting of shareholders (stakeholders) of a non-bank financial institution are compiled on the day of publication by the Bank of Russia of the information about the instruction sent or before the said day.

The Bank of Russia, within one year from the day of sending the instruction specified in Part ten of this Article, shall be entitled to appeal in court against the decision of the general meeting of shareholders (members) of a non-bank financial institution and the transactions conducted in pursuance of these decisions, if the participation of a shareholder (stakeholder) in the voting on the respective issue of the agenda of the general meeting of shareholders (stakeholders) of a non-bank financial institution by shares (stakes) acquired in violation of the requirements of this Article, or the participation in the voting of a shareholder (stakeholder), the control over whom is established in violation of such requirements, influenced the decision of the general meeting of shareholders (stakeholders) of a non-bank financial institution.

In the event of a failure to fulfil the Bank of Russia's instruction specified in this Article, the Bank of Russia shall be entitled to demand in court the invalidation of the transaction (transactions) to acquire shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions and (or) a transaction (transactions) to establish control over shareholders (stakeholders) of a non-bank financial institution, and also subsequent transactions of the said persons to acquire shares (stakes) of a non-bank financial institution in the quantity that exceeds the value established by federal laws regulating the operations of non-bank financial institutions and (or) transactions to establish control over shareholders (stakeholders) of a non-bank financial institution.

(Article 76⁹⁻² was introduced by Federal Law No. 281-FZ, dated 29 July 2017)

Chapter XII. The Management of Cashless Settlements

The Chapter is null and void in accordance with Federal Law No. 162-FZ, dated 27 June 2011.

Chapter XII¹. Ensuring Stability and Development of the National Payment System

(The Chapter was introduced by Federal Law No. 162-FZ, dated 27 June 2011)

Article 82¹. The Bank of Russia shall ensure stability of and develop the national payment system in compliance with the Federal Law ‘On the National Payment System’.

The areas for the development of the national payment system shall be defined by the Bank of Russia’s strategy for the national payment system development.

Article 82². The Bank of Russia shall organise and ensure the efficient and uninterrupted functioning of the Bank of Russia’s payment system and shall exercise oversight function over it.

Article 82³. The Bank of Russia shall set the rules of cash settlements, including limits on cash settlements between legal entities, and also settlements with the participation of citizens related to their entrepreneurial activities.

The Bank of Russia shall set the rules, forms and standards of cashless settlements.

Article 82⁴. In the event of unilateral suspension (termination) of payment infrastructure services provided to a participant (participants) in the payment system and his (their) customers the Bank of Russia shall impose a penalty:

1) on the operator of the payment system that is not nationally important in the amount of up to 10 per cent of the security deposit subject to payment in compliance with Article 82⁵ of this Federal Law for each day of the suspension (termination) of payment infrastructure services;

2) on the operator of the nationally important payment system in the amount of up to 10 billion rubles for each day of the suspension (termination) of payment infrastructure services.

The demand for the payment of penalty envisaged by this Article shall be executed by the Bank of Russia's order.

The procedure for penalty application envisaged by this Article shall be established by the Bank of Russia's regulation.

(Article 82⁴ was introduced by Federal Law No. 112-FZ, dated 5 May 2014)

Article 82⁵. The operator of the payment system that is not nationally important shall make a security deposit to a special account with the Bank of Russia in the amount of money transfers executed on the territory of the Russian Federation within the payment system during two calendar days.

The security deposit specified in Part one of this Article shall be made up with quarterly payments in the amount of one-fourth of the mean value of the amount of money transfers executed during one

calendar day on the territory of the Russian Federation within the payment system for the previous quarter.

A special account designated for the security deposit shall not be a banking account. The funds in this account shall not be subject to debt collection from the operator of the payment system that is not nationally important.

No interest shall be charged on the funds accounted for in a special account as security deposit.

The funds accounted for in a special account as security deposit shall be used by the Bank of Russia to pay the penalty imposed in compliance with Article 82⁴ of this Federal Law.

A failure to make payment or a partial payment of the security deposit shall lead to imposing a penalty in the amount of non-executed (partially executed) security deposit payment. The requirement to pay this penalty shall be made up by the Bank of Russia's order. In the event of a failure to comply with the order, the Bank of Russia may appeal to a court of law to levy the said penalty on the payment system operator.

The Bank of Russia shall establish by its regulation the procedure for the calculation, payment and return of the security deposit as well as the procedure for penalty application envisaged by this Article.

The Russian Government shall be entitled by agreement with the Bank of Russia to establish a specific procedure for a security deposit payment, as well as a specific procedure for recovering penalty stipulated by Part six of this Article.

(Part eight was introduced by Federal Law No. 202-FZ, dated 1 July 2014)

(Article 82⁵ was introduced by Federal Law No. 112-FZ, dated 5 May 2014)

Article 82⁶. In the event of unilateral suspension (termination) by an information exchange operator of the provision of information exchange services to a credit institution and its customers the Bank of Russia shall impose a penalty on the information exchange operator:

1) totaling the tenfold amount of the compensation paid by the credit institution (mentioned in Paragraph one of this Article) to the information exchange operator for the previous calendar month;

2) totaling the fivefold amount of the compensation paid by the credit institution (mentioned in Paragraph one of this Article) to the information exchange operator for the previous calendar month if earlier the said operator suspended (terminated) unilaterally the provision of information exchange services to any credit institution or its customers.

The demand for the payment of penalty stipulated by this Article shall be executed by the Bank of Russia's order. If the demand is not fulfilled, the Bank of Russia may appeal to court for the recovery of the mentioned penalty from the information exchange operator.

The procedure for applying the penalty specified by this Article shall be established by a Bank of Russia regulation.

(Article 82⁶ was introduced by Federal Law No. 264-FZ, dated 2 August 2019)

(Part two as amended by Federal Law No. 391-FZ, dated 5 December 2017)

(Article 86¹ was introduced by Federal Law No. 426-Φ3FZ, dated 30 December 2015)

Article 87. The Bank of Russia may only be liquidated by the adoption of a corresponding federal law amending the Constitution of the Russian Federation.

Chapter XIV. Bank of Russia Employees

Article 88. The conditions of the employment, dismissal and remuneration, official duties and rights, and the system of disciplinary actions with regard to Bank of Russia employees shall be established by the Board of Directors in compliance with federal laws.

Article 89. The Board of Directors shall establish a pension fund for the provision of additional pension services to Bank of Russia employees and organise life and medical insurance for Bank of Russia employees.

Article 90. Bank of Russia employees holding positions included in a list approved by the Board of Directors shall not be allowed:

1) to hold more than one job or work under a contract agreement (except for teaching, research and creative work);

2) to hold positions in credit institutions, non-bank financial institutions and other organisations without the decision of the Board of Directors regarding the free-of-charge involvement of the Bank of Russia's employee in the work of the management or internal audit bodies of credit institutions, non-bank financial institutions or other organisations;

(Clause 2 as amended by Federal Law No. 469-FZ, dated 27 December 2019)

3) to acquire securities, shares (stakes in the authorised capital of organisations), which may yield income, in cases when this may result in a conflict of interests, except for cases established by federal law;

4) be an attorney or a representative of third parties in the Bank of Russia, unless otherwise stipulated in this Federal Law and other federal laws;

5) receive, in connection with the performance of their functions, remunerations (loans, cash or other remuneration, services, payments for entertainment, leisure, transport expenses) not stipulated by the legislation of the Russian Federation, except for cases stipulated by the legislation of the Russian Federation. Gifts received by Bank of Russia employees in connection with protocol events, business trips and other official events shall be recognised as federal property and transferred by Bank of Russia employees under a handover certificate to the Bank of Russia, except for cases stipulated by the legislation of the Russian

Federation. A Bank of Russia employee who has handed over a gift received in connection with a protocol event, a business trip or other official event, may buy it out in accordance with the procedure established by legal acts of the Russian Federation;

6) travel abroad, in connection with the performance of their functions, using the funds of individuals and legal entities, except for business trips made in accordance with the legislation of the Russian Federation, international treaties of the Russian Federation, accords reached by the federal government bodies on a reciprocal basis with foreign government bodies and international and foreign organisations, and interbank agreements.

In cases when the possession of income-yielding securities, shares (stakes in the authorised capital of organisations) may result in a conflict of interests, an employee of the Bank of Russia must transfer the said securities, shares (stakes in the authorised capital of organisations) held by him/her, for trust management in accordance with the legislation of the Russian Federation.

Citizens who had held positions included in the list approved by the Board of Directors shall not be allowed, after their dismissal from the Bank of Russia:

1) to hold, during two years in credit institutions or in financial markets organisations, the positions of executives listed in Article 60 of this Federal Law, if certain functions of supervision or control over such institutions or organisations were included in their direct official duties, without the consent of the Board of Directors, which shall be given in accordance with the procedure established by the Board of Directors;

2) to hold, during two years in non-bank financial institutions, the positions of executives whose list is specified by the Board of Directors, if certain functions of supervision or control over such institutions were included in their direct official duties, without the consent of the Board of Directors, which shall be given in accordance with the procedure established by the Board of Directors;

3) to disclose or use in the interests of organisations or individuals information referred in accordance with federal law to confidential information, or insider information that has become known to them in connection with the performance of their functions.

(Part three as amended by Federal Law No. 251-FZ, dated 23 July 2013)

Members of the Board of Directors, and also citizens during two years from the date of the termination of their powers as members of the Board of Directors shall receive the consent indicated in Clauses 1 and 2 of Part three of this Article in the National Financial Board.

(Part four was introduced by Federal Law No. 251-FZ, dated 23 July 2013)

Responsibility for failure to comply with the bans stipulated by this Article shall be established by this Federal Law and other federal laws.

(Article 90 as amended by Federal Law No. 274-FZ, dated 25 December 2008)

Article 90¹. Persons applying for Bank of Russia positions, the list of which is approved by the Board of Directors, and Bank of Russia employees holding such positions must provide information on their income, expenses, property or property-related obligations, as well as on income, expenses, property or property-related obligations of their spouses and underage children, according to the procedure set by Federal Law No. 273-FZ, dated 25 December 2008, ‘On Countering Corruption’,

the Federal Law ‘On Control over Conformity between Expenses of Government Officials and Other Persons, and their Income’, regulations of the President of the Russian Federation and Bank of Russia regulations, to a Bank of Russia unit (officer) defined by Bank of Russia regulations.

Non-provision or provision of incomplete or unreliable information on income, expenses, property or property-related obligations; non-provision or provision of knowingly incomplete or unreliable information on income, expenses, property or property-related obligations of his/her spouse and underage children by a person applying for a Bank of Russia position included in the list approved by the Board of Directors, shall be a ground for the Bank of Russia to refuse employing such a person.

Non-performance of the obligation stipulated in Part one of this Article and failure to take measures for prevention or settlement of conflict of interest, to which he/she is a party, by a Bank of Russia employee holding a position included in the list approved by the Board of Directors is a violation of law that entails dismissal of this employee from the Bank of Russia.

(Article 90¹ was introduced by Federal Law No. 231-FZ, dated 3 December 2012)
